**The ODD Couple**

**April 10-19**  
Carver Studio

Everyone's favorite mismatched roommates, uptight Felix Unger and easygoing, disheveled Oscar Madison, will have you rolling in the aisles in Neil Simon's Tony Award-winning comedy *The Odd Couple*.

**THE PRODUCERS**  
A Mel Brooks Musical

**May 1-17**  
Civic Auditorium

It's non-stop laughs when a down-on-his-luck Broadway producer and his mild-mannered accountant come up with a scheme to produce the most notorious flop in history, thereby hustling their backers out of millions of dollars. Mel Brooks' laugh-out-loud spectacle *The Producers* sets the standard for modern, outrageous, in-your-face humor.
