Judie Piscitello

Moved to Brookings

just last year;

participated in the club's free lessons, joined the club and jumped in with both feet - learning the scoring application, studying for the Director test while

moving into her new home, passing the test, (**Congratulations!**) becoming a Director, ordering new chairs and tables, and recently accepting the Board position of vice president. Wow!

As one gets to know her, one realizes that Judith is definitely an over achiever. Her accomplishments are too numerous to list here but ask to see her résumé - very impressive!

She earned her Bachelor of Arts from St. Mary's College, in Moraga; and her Teaching and Administrative Credentials from the University of California, Berkeley.

In 1967 she started employment as a teller for Bank of America, Oakdale where she worked until 1973 when she accepted a Manager position at World Savings and Loan, working in Madera and Fresno.

Judie started her own business in 1975 becoming co-owner of Brighter Side Sandwich Shop in Modesto; then from 1987 to
