**All Bridge sessions are temporarily suspended until further notice. Stay well, folks**

## Thank you!

To our club manager and our club president for their quick action on March 14th suspending club play through April 8th. Also thanks to the club members and visitors who are following the governor's guidelines about staying home to avoid possible contact with the Covid 19 virus. As of this date there have been no reported cases in Curry County.

## Board Secretary/ Treasurer

Vickee De  
Ladurantey  
was born in  
Portsmouth,

Virginia where her Dad was stationed at that time. After her brother was born and her Dad's U.S. Naval tour ended, the family moved to Norwalk, California where they lived until 1969, Vickee's Junior year in high school.

She was an industrious young woman obtaining a part time secretarial job working for a Chiropractor while attending high school. Sixteen year old Vickee met her High School sweetheart in Whittier, California where she graduated the following year.

The couple got married and Vickee got a secretarial job at a steel mill and basically put her husband through college, and herself vicariously since she happily wrote his papers for him. He then became a Police Officer for the City of Newport; they bought a house in West Minster, and Vickee became a stay at home Mom after birthing their first son, Adam. Four years later they had their second son, Brent.

About a year later, the sweet in the marriage turned sour and Vickee and the kids returned to Whittier where Vickee went back to work. Between working and raising the boys, Vickee had little time or interest in anything else i. e. dating, even less so when they became teenagers.

Her life was full; she and her Dad especially enjoyed supporting Brent playing Varsity football in high school.

Vickee cont.

Vickee moved to Brookings in 2018 after retiring in 2016 from a 30 year Secretarial career with the Whittier High School District and after several years of nursing her parents.

She stays active with Bridge, Soroptimist, beach walking and spending time with family and friends. Her son Brent resides in Brookings and is a PE teacher at Azalea Middle School ; and her son, Adam and his family live in Seattle. Adam has two children, Zoe and Xander.

Vickee's life has been one of taking care of others, first raising her sons and then nursing her elderly parents. Now she takes care of our club members, serving as our Secretary Treasurer and our in house official baker of birthday cakes extraordinaire.

Thank you Vickee! Stay well!
