New to Brookings & TCB

Welcome to Brookings and Tri City Bridge Bev and Norm Hocking who recently moved to Brookings from Fresno, CA.

Thank you!

To all the club members who so generously share delicious treats, healthful and not so healthful.

Continued appreciation to all who arrive early prior to each session to shuffle cards and set up all the tables and chairs.

Board Vice President,

Steve Carter was born in Temple, Oklahoma, the oldest of three children, two boys and a girl. He grew up in Lovington, New Mexico where he attended elementary through High School, graduating in 1968.

Steve married his High School sweetheart, Dolores, in 1970 and hearing the 'call of the wild' moved his bride north to Alaska in 1972.

He landed an electrician job right away, as an Instrument Tech working for an oil company. The company changed ownership and names a couple of times but Steve remained with the company for 38 years. He worked seven days on and seven days off so he developed a second occupation during his off time, that of commercial fisherman which he did for 18 years.

In addition to working two full time jobs, Steve built the family's own 2600 sq ft Cedar Log house in the area of Kafilof, located about 150 mi south of Anchorage on the Kenai Peninsula. But it wasn't all work and no play. The couple learned to play party bridge with one other couple.

During their time together, Steve and Dolores raised three children. Tragically, Steve lost his wife to Pancreatic cancer after 38 years of marriage. The couple's oldest child, Melissa, resides in Washington and is a chemical engineer; Tara, is their middle child and works as a waitress; and their son lives in Las Vegas and is a fund raiser for St. Jude's.

Steve cont.

Knowing the ratio of women to men in Alaska, Steve was fortunate to meet a new love, Catherine, Cat. He spent six months with Cat in her native Florida. They sold the house he had built and moved to Homer and then here to Brookings where his brother lives part time.

The couple have been together ten years and are ready for a new adventure. They have listed for sale their Brookings home and are seeking a new place in Homosassa, Florida.

Good luck, Bridge friends!
