

TRI CITY BRIDGE

What's New

Electronic scoring is working well

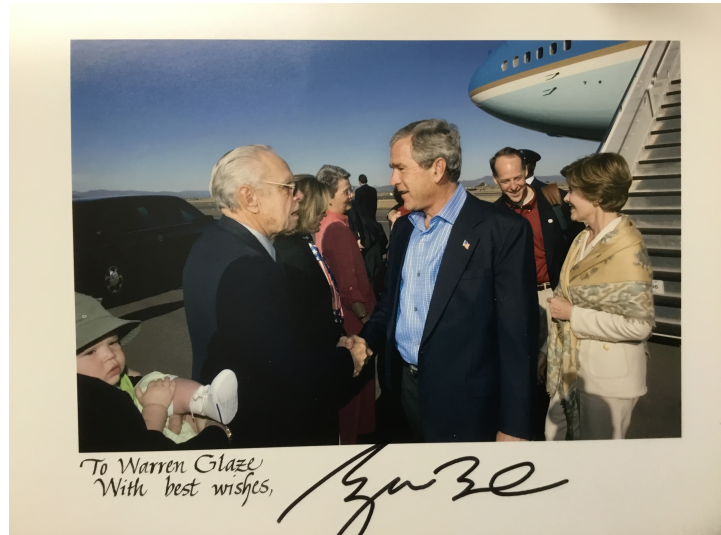

Bridgemate II scoring system is alive and well. It was introduced to the Beginner group the first Monday in April and to the rest of the club the following day at the regular game on Tuesday.

Learn Bridge In A Day

LBID commenced April 20 and continues on Saturdays this month of May.

Bulletin Board

Another addition will be a bulletin board for posting any and all information may be pertinent to the club, including significant scores and events such as

Warren

Led the local Republican campaign for George W

You may know that Warren Glaze celebrated his 94th birthday just a few months ago and that he and his wife, Dee have resided in Brookings since 1992, for almost half their married years.

But did you know that Warren grew up on a farm in Canada, was a member of the Royal Canadian Air Force, 1942-1944, and a teacher of Physics and Biology in Ethiopia? During his last three years of living in Africa, he also trained new teachers on how to teach Science.

When Warren met Dee, he discovered a kindred adventurous spirit. From 1976-1983 the couple spent their summers commercial fishing for salmon out of Crescent City

Upon Warren's retirement from academia in 1984 (ending twelve years as the Blackford High School principal in San Jose, CA) he and Dee began a lengthy exploration of Africa, living in their RV for a year at a time. They balanced their RV travels with sailing their 42 footer off the Pacific coast.

Warren cont.

Another very interesting thing to know about Warren is that he only recently sold his plane which he had flown and maintained himself for 51 years. Locally he was a member of the United Flying Octogenarians and conducted "Inspiring Youth to Fly" programs for eighth graders.

Also impressive but not the least bit surprising are the home improvement projects he single handedly designed and built just a few years ago, while in his 80's. If you want to know how to construct a beautiful wrought iron gate or create a lovely patio with fire pit and all, just talk to Warren. He learned many skills growing up on that farm in Canada.

Fun Bridge

with three tables convened on Friday, April 26 at 4:30PM at the Chetco Activity Center. Thanks go to Vickie DeLadurantey, and Carol Hanft for all the delicious snacks. May Fun Bridge date will be Friday, May 10th.

Board:

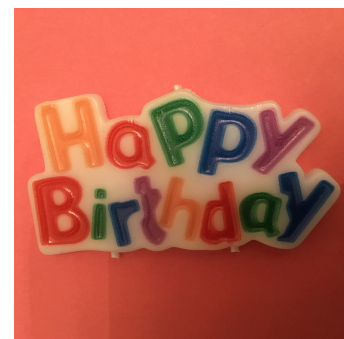

George Kuppler, President
