Annual election to the board was held on December 10, 2018.

Congratulations to Steve Carter and Sandra Waddle, elected board members at large for a two year term commencing January 1, 2019. The club had a very good turnout for the free play day with 5 1/2 tables, including a couple of first time visitors to Brookings.

We may soon say goodbye to this location and hello to the Sr. Activity Center.
