The Men's Golf Association (MGA) events are open to all MGA members who have active SCGA handicaps administered by and subject to approval and modification by the MGA Handicap Committee. MGA further requires that a player must have posted a minimum of five rounds in the six months prior to the event. For the five Guest Day events, the guests are not required to have an active SCGA handicap. For *The Tradition*, guests are required to have active handicaps from a USGA-affiliated club.
