DRAFT

MEMBERS PRESENT: Jim Coleman, Ryan Blair, Jim Dyer, Tony Jordan, Jason Hartman, Ed Durfey, Tom Stillings, Steve Hardy, Rob Sonnhalter, Chris Tate

MEMBERS ABSENT: Harry Elias, Austin Kakar

GUESTS: Erik Johnson, Jeff Maier, Jon Kelly

CALL TO ORDER: Jim Coleman called the meeting to order at 3:01pm.

MORGAN RUN MANAGEMENT:

Erik Johnson (Morgan Run General Manager) reported that Clubcorp execs were back at MR last week to further review potential investments of the club.

We have ~556 full golf memberships and 35 associate memberships currently. MR will go to 575 full members and 75 associate golf memberships and then a Wait List will start. Current initiation fees are \$10K since July and expect to go up to \$25K next year.

Discussion was had with Erik about the need to replace/repair the driving range net as soon as possible. Golf balls are making it to 1S and 8S fairways endangering players. Erik is pushing to get the funding (estimate of \$160K) to fix the situation.

Jon Kelly (Golf Course Superintendent) reported that sod work has been completed on South course bare spots. 6 and 9 North greens are showing some stress (Bent grass from Idaho) so Jon's team is watching them carefully as the Poa fills in. September 14 we will be over-seeding and aerification of tees/greens/surrounds to start on East then South then North.

Jeff Maier (Morgan Run Head Golf Professional)

- Golden Seniors team play on 9/17, hosting Vista Valley
- Monday external events scheduled for 3 out of 4 weeks in September. Jeff's weekly email is sent out to notify members of the limited tee times.
