

#100 **Servant, Friend, Brother or Son**

What does God call you, my **brother**
Or sister, If that be even from a different **mother**,
Because we're all children of the Spirit of Love that's **made**
All humans **to evolve out of the spirit of deception** that one day will **fade**.

We ALL will be transformed into believing souls that will see the **Light**.
Each in his own order depending on how hard & long you **fight** 1 Cor. 15:23
With the **Spirit of Love** that **corrects** each lost **sheep** John 6:37
Because the Word says that all that the Father gave Him Jesus **will keep**.

Gen. 1:2, 3:1

The spirit of deception has been around since BEFORE Adam and **Eve**.
Eve was deceived but Adam choose to side with her; instead of **believe**
That God would have mercy on her and correct her with **Grace**.
This spirit of the Devil is what stops you from seeing God's face.

Jesus said "If you've seen me you've seen the **Father**.
But here's the rub - Has God put in you the desire to **bother**
To seek out the truth **yourself** and **NOT TRUST ANY religion...**
Especially the false Christian one that denies God made the provision

To Save ALL men in his own order? 1 Cor. 15:23
The teaching of an eternal Hell has crossed the **border**
Of what the **power** and **will of God** is **for All men**, creation, and
Especially **you**. 2 Peter 3:9, 15-16
This is what His Word says a disciple will be led to **do**.

Be like the Bereans or Colossians that looked...each **on their own**.
God has hidden the truth from some of us all...to separate the marrow
From the **bone**
With the sword of the Spirit which is the truth **revealed**
Once the flesh nature of **pride** and **selfishness** has been **peeled**

Off the bone which is hard, **And He may have to break it first**
To test you severely ***in order to*** get you **to thirst**;
To drink His blood and eat His flesh because you now **hunger**;
To be taught **how to live** and ***love your enemies*** and no longer **blunder**.

#100 **Servant, Friend, Brother or Son**

When a situation arises and you feel the desire to condemn and **belittle**,
This is the beginning of when He choose to send the knife that will **whittle**
That marrow from the bone and bring the **Spirit of brotherhood & Light**
That **gently** helps one see his wayward way **without** a big **fight**.

Because it may not be the right timing for the other soul to **see**
Exactly how a righteous walk for him presently could **be**
Which is to repent and **turn** from the Devil and put on the **glory**
Of God's graceful leading to understand that the farther one's away the
More He

Brings conviction through the reaping of what you've sown to **be**.
If your diet is weak, your health will become weak also **so you can see**
The benefits of feeding your body, mind and spirit with food He **desires**
You to consume to **be transformed** into more of His image *before* your
Life **expires**.

This is the first step of becoming a friend, son and brother of Jesus **Christ**
Changing your **diet** in all phases **so** the old **diet** will get chopped up & **diced**.
So little by little you'll learn to throw off the "**old**" **man**
And live with a love for others and become their second biggest **fan**

When you see them **improve their diet, talk & walk to parallel** Christ's **ways**
Then the **Joy** you'll experience will increase moment by moment the
Rest of your **days**;
Becoming a friend, brother, and son upon which the Father can **now**
Trust in more
Through an increased faith in His ways which will open up another **door**

To enter another aspect of the Kingdom of Heaven here in this **life**;
Learning to put away your fleshly wrath which only brings **strife**;
Learning to be wise as a serpent and yet gentle as a **dove**
Following the example Christ set when He came down to teach the
Anointed ways from **above**.
