

#107 **WHERE** Do I See **LOVE**?

Where do I see **Love** ? **EVERYWHERE !**

I see it **so much** it's hard to **bear**.

What makes it hard is I know that others **don't**;

Why **God** allows **ME** to see it but so many others He **won't**.

I see **it** in the strangest **places**.

The easiest place is in people's **faces**.

When they smile or their eyes just sparkle and **gleam**

I know for them **God** through **Jesus** came to **redeem**.

So often I've heard the **Devil's hate**-filled **lie**

That **for ALL Jesus did not** come to **die**...

But only a chosen few who can hear and follow **His voice**

Because **their supposed will** was wise enough to make the right **choice**.

Scripture says in John 6:44 and Romans 9:16 and many other places by
Contextual **meanings**

It's NOT of MAN'S WILL but of **God's MERCY** we receive those **gleanings**

How **LOVE NEVER** FAILS and what AGAPE **LOVE REALLY IS**.

How Ezekiel 18:4 tells us how EVERY SOUL is **His**.

I can't help but see **Love** in the light and even in the **dark**

And when words of condemnation are spoken it's only the **Devil's bark**

Because John 3:17 says **Jesus** didn't come to condemn the **world**

But that through **HIM** the world WILL BE SAVED and **His** plan **unfurled**...

That **ONLY GRACE can save** so that no man can **boast**;

Like by saying "I chose **Jesus**" and "**He** might **love** all but **He loves**
Christians the **most**,

But the **love** for all is only conditional because **YOU MUST ALSO CHOOSE**

Or that love will turn into hate, & eternal life in **Him** you'll **lose**".

Did you know that hate is not the opposite of love,

But apathy is because it's a total lack of compassion from **above**?

Jesus came to save the lost...which includes ALL EVER **BORN**.

The first Adam's choice affected **every soul** which makes everyone **mourn**.

#107 **WHERE Do I See LOVE?**

But in the Sermon on the Mount **Jesus** said that those who mourn will **Be comforted** with peace.

Only a prideful spirit wouldn't **care** for those still **lost** and fail to **cease**
From the spirit "lost" Israel still has thinking **God** is exclusively "theirs"...
Which is the opposite of the truth of real Love which **bears**

The sins of the whole world which **He** created and currently has mostly
In **darkness**

So those **He's** chosen will bring such a bright and vivid starkness
Between the dark and the light, from the wrong from the right
& teach others to see unbelief's wiles so they also can be strong & fight

To have a greater faith so that when crap hits the fan
To not depend on their own strength but to lean on the **man**
From Galilee, Bethlehem which means bread, **Who IS** the "**Bread of Life**"
"Come down from Heaven"

John 6:35

Whose desire, purpose and will was and is to remove all the leaven

So that a fallen creation can legally be redeemed
& experience the promised **Zoë life** w/o sin of which we've all dreamed.
There is life only in, by and through **Jesus**...the author of all
Whose plan is redemption of all after he had the first Adam fall.

Sin did not take **God** by surprise nor spoil His will
But is the vehicle designed by **God** so His GRACE ALONE will pay the bill.
His will IS to SAVE ALL, not just desire or offer a way !!!
Again...only a prideful spirit will believe it's got the power to save
Oneself...**Oy Vey** !!!

That **carnal pride** takes the glory of **God** & puts it smack on **man's** back...
As like any man...except **Jesus** himself could manipulate or even design
His own track..

A man plans his own way but **God** directs his steps. Prov. 16:9

The way seems right to each man but are the ways of death's depths.

Prov. 16:25

#107 **WHERE** Do I See **LOVE**?

But even as each man lives his own life I see how **God's** hand works.
One's life is as a letter from **God**, individual & full of many, many quirks.

2 Cor. 3:3

We're to be content deep within our own convictions that what we
Experience is **O.K.**

Because ALL SIN was IMPUTED upon **Jesus** and **He's** died, risen and
"Saved the **day**".

I intended this poem to list so many places where I see Love
But Love had me praise **Jesus** alone because I've been shown AGAPE'
Love is **above**

Any kind of fellowship or brotherhood or kindness through works any
Carnal spirit of man can show,
And only when we've become **Jesus** freaks will this understanding
Brightly glow.

There's only life in **Jesus** and without Him there's only death.

And He's destroyed that "last enemy". He's the seed that came through
Seth

Who was Abel's replacement since Cain murdered his brother **Able**.

Gen. 4:25-26

Moses wrote down the story of the lineage of **Christ** and it's not a fable.

He was inspired by the **Holy Spirit** as all the writers of the cannon were.

It is so intricate and supernatural in how many different ways it can stir

An unbeliever to believe if it's his time to hear **God's Spirit** speak.

There are clues in numbers used and patterns discovered by people **God**
Has had seek

The fine tuning of how the original words bring out His story

Of how Jewish idioms used and hyperboles and parables spoken by

Jesus dispel the gory

Pictures of an eternal Hell and damnation that the religious spirit still

Uses to scare

To try to get fear to do the trick of changing unbeliever's minds...so

Beware

#107 **WHERE Do I See LOVE?**

That in these “last days” evil imaginations will abound that promote a Different **gospel**

Than what Paul and the other disciples taught and **warned** of that Would be **hostile**

To the **GRACE of Love** that puts **ALL FEARS** to rest.

That **fear in the proper light is reverence** that will pass the **test**

So **His** small flock ***that can truly hear His voice will become a voice*** so loud That will be bold and pure to draw true seekers out of the **crowd** **Of the religious organized doctrines of demons that deny Jesus’ WILL** **And POWER.**

TOMORROW IS NOT THE DAY TO PROCLAIM THIS TRUTH – BUT
RIGHT NOW IS THE HOUR !!!
