

#112 In The Eye Of The Beholder

The only place where truth is found
Is **SEEN** only through the eye of what makes the world go 'round.
That's said to be **Love** because of its **power to overcome**
What may be SEEN as being evil to all eyes...except some

Who have been given the gift of **Agape Love** to suffer and endure
The means to which end will be found a life that's righteous and pure.
The end is always said to be justified by its means when **SEEN**
As the process which **MUST** take place **IN ORDER TO** wean

Whatever it is that is not pure and true to perfect Love.

This can't be **SEEN** from within the same dimension but only outside and
Above
Itself of its own limitations that can't possible understand the clear
Picture and plan
Which **can only come** into **focus thru** the **EYES** of the **Son of Man**.

Only through the words spoken by **Jesus**, the only begotten **Son of God**,
Were all things created.
This includes the words of the **prophets** and **The Law** to destroy what He
Hated;
Which is disobedience and dishonor to the guiding words He's spoken
Starting w/ **Adam** & **Eve** having to die the day His Holy path was broken.

He promised them life without end as long as they should eat the right
Fruit;
But they ate from the **Tree of Good and Evil**, their own horn they chose
To toot.
Thus iniquity was found in them exposing **Satan "The Adversary"**
Who puts oneself in the seat of God deciding for himself how to tarry.

Being "**made**" in the "**image of God**" means having the ability to subdue
And have dominion over ALL things created, out the window this flew,
When the image did not follow the instructions on what **NOT** to eat;
And the **1st Adam** created lost eternal life and went down in defeat.

#112 In The Eye Of The Beholder

But the 2nd Adam did ***not one*** thing ***against*** the commandments givin';
Born under the curse of death but showed the right path back by livin'
Without any corruption or decay the flesh was designed to find
Because ***it's impossible to please God*** in the flesh alone ***without God's mind***.

Jesus lived in a body of flesh but also obeyed 100% the Father's words.
He could have lived forever but chose to die to show us the Shepard's
Predestined path and purpose and plan for the salvation of all who are
Called to follow

The spiritual lessons He taught: that faith has substance and is not
Hollow.

Show me your faith through your works the apostle James said - but
NOT FOR redemption

But for salvation from sin so you may see Heaven's greatest invention.

It's called GRACE - where Love provided a way where none was before.
Jesus showed the plan for us that to find life we must go through death's
Door!

We can do it willingly like **Jesus** did if God's chosen that call for you,
Or you can die unwillingly like most of mankind will do.

Creation was made cursed under vanity so it's God who's in charge
Of the steps in your being molded into Christ's image - by-and-large.

Some clay He's made on purpose to serve sin and see wrath.

Wrath is the correcting tool used when we walk the wrong path

That ***leads to sin and death*** and the end of your testing.

God's elect are His children of great faith who are resting

In that the day will arrive when sin, tears and death are no more

And every person ever born will have walked through death's door;

Some to find themselves at the 1st Resurrection and the **Wedding Feast**;

Others, when shown this light, **will reject it and follow the Beast.**

#112 In The Eye Of The Beholder

This is not something that means damnation of some **Lake of Fire**
Without end.

Eternal means an “**age**”, which may or may not end, but only send
Condemnation and **consequences** upon **all who refuse** to give grace
To the people sent before us to **test our gift** of **SEEING God** in each face.

Jesus said: “Unto the least of these you do also unto me”.

The Kingdom of Heaven becomes visible only when one can **SEE**
That the person in sin is no different than all ever made.

It’s just that that person doesn’t yet understand Love and carries a failing
Grade.

He hasn’t yet become the “**teacher’s pet**” and **given the ability** needed
And the compassion and gentleness you were shown when the **Good**
Shepherd greeted

YOU back into the sheepfold, protected and free to bathe in the glorious
Light

Of the **Spirit of Mercy, Forgiveness, Grace, Joy, Peace and Truth** of
What’s right.

God’s WILL IS the salvation and redemption of ALL men...NOT merely
A DESIRE.

The message is that Love CONQUERED death,
Love USES death, and Love USES FIRE

To burn off the impurities of the sin nature and leave only Spirit.
You must leave the carnal mindset plane & dimension to **SEE & HEAR** it.

Without leaving that dimension it’s like looking into a mirror

In which **you’ll only see yourself** - you must be transformed to **SEE** clearer
That **God’s plans for you are GOOD** and consists of bringing **ALL** back to
The **Garden**

Of Paradise to tend and keep it...this time without the sinning nature
Which does harden

#112 In The Eye Of The Beholder

The heart, which is where God lives, into one made of stone.

The Law was written in stone & doesn't change, but from it we can hone
Out the pattern that it wasn't to "**earn**" redemption, but to show us
What's right.

**God didn't create sin and darkness by mistake, simply overcomes it
With His might!**

The **1st day** began with **darkness and proceeded into the Light.**

Subverting your strong, unbending faith in the **Mercy of God** is the
World's fight.

He who loves this world does not the will of the Father - **for this world
Lives in hate**

And your return back to our Father has a place, hour and date

Already known by our creator...not one detail you can possibly change.
You may think you can but every dimension there is He did arrange;
And that's so we'll forever find more glorious and wonderful things
About Him to find

When we've been humbled by His power to say, "Mold
Me into **YOUR IMAGE**...not the one of my foolish mind"!
