

## #113 It's **NOT** Earn...But **APPLY**

I heard *a beautiful woman* say under her breath  
That *IF ONLY* she had blonde hair and a big bountiful breast  
Like a certain rich and famous and sexy country singer starlet  
She might "EARN" her lover's adoration as a Queen instead of a *harlot*.

And this expression of *unbelief* hurt me down to my innermost core  
That she's STILL DECIEVED by the Devil that she's seen as my chore  
**Instead of the beautiful and sexy, loving and charmingly sweet piece  
Of Fruit she IS**

Off the **Tree of Life** - NOT the tree of knowledge **unto death** - gee whiz!

And *could it possibly be a coincidence* that today was seen  
By many that because of the Mayan calendar it will mean  
That a new eon will begin where **Venus** will align with **Mars**  
As the 70's song proclaimed - **The Age of Aquarius** when "**Love will  
Guide the stars**"?

Now...I certainly don't trust in the Zodiac per say...  
But only in Jesus' message - that over and over refers to "if" and "a day"  
That **when one becomes "Born Again"** of the **Spirit** the "**Light**" will turn **on**  
That you've been washed by His **water** - His **blood** - and so today is the  
New **dawn**

Of the day when the **darkness ( DISBELIEF )** is **OVER** and the sun ( **Son** )  
**Has risen.**

The **gates of Hell** haven't prevailed and she and we are released from  
Prison.

**Freed** from the *bondage of the Law* which *only revealed* our own sin.  
But **now we CAN** live in Jesus - who was **MADE SIN FOR US** - and begin

To experience the **liberty** of **Freedom** which the **Grace** - which **His**  
**"Light"** reveals.

This happens **not when blinded by law but** to the remnant Its Truth and  
Power *is what* appeals.

Our apostle Paul told us to "work out our own salvation"...**Yoo Hoo!**  
He didn't say work "**FOR**" it which only Jesus **already DID DO!**

## #113 It's **NOT** Earn...But **APPLY**

With **Wisdom**, who **IS** Jesus, comes an understanding that we may now apply This "Great salvation" from the power of sin & death which only says to "**try**" To **EARN** your redemption **yourself** and deny what Jesus proclaimed In His very last words spoken as a man. **THE Man** - who **ALONE** is named

**King of Kings** and **LORD of Lords** - the **ONLY ONE** found **worthy** to begin To open the scroll & loosen its seals, or even **look at** the **judgment** on sin Which **He ALONE** could see & not die; but then **CHOOSE** to do so that day To have The **Father IMPUTE** our sins upon **HIM** so **He ALONE** could pay

And be the **propitiation** for the sins of the **entire** creation.

The ecclesia being the first fruit after **Jesus** to profess with elation

*That the **first Adam's fall** was but **the way it was planned**.*

There's no other way **God's** glory could have been *shown nearly as grand*

As the **Spirit of God** showing **His** character through **Jesus** - to serve & die For the pinnacle of **His** creative works - **MAN** - who **He's** lifted up high Above all other things created so in **God's** image man could create Even more children with which to share the *pleasure - done intimately Within a **wife...his mate**.*

**For Love's desire is to share and reveal its character to all.**

**God** is the **Spirit of Love** - most gloriously unseen - until creation's fall And rebirth with the way made sure - with suffering, death and victory Through **Jesus' life, death and resurrection** of which some 500 did see

And thus came into the written record - **HIS story now *history***

Told unto all especially around Christmas time and Easter - the *mystery*.

Paul wrote it down in his letters but only a few ever believe.

He wrote it for ALL men - **this redemption of ALL**, but only the ecclesia receive

The **whole understanding** which leads to the greatest character of all...

The **ability** to **FORGIVE** our **ENEMY** after and even during **their fall**.

That is called **AGAPE LOVE** which **Jesus** explained to Peter.

It's also called **GRACE** - undeserved merit, **the overcoming by LOVE**.

Nothing sweeter !!!
