

## #115 **Woman, Where are your accusers?**

There is a huge difference between an *evangelist* and a *proselyte*. One professes the “*Good News*” of what’s **BEEN DONE** and the other Says *join us. We’re right.*

The **evangel** *is* that Jesus *is* the propitiation for **ALL of God’s wrath**. The *proselyte* says follow me and *I’ll show you* the path.

The **evangel** points to **the one** who PAID the FULL PRICE to redeem **ALL** From the penalty of sin.

The *proselyte* Jesus said lead the blind to a **double judgment** because They were all blind kin.

How can there be judgments worse than others if **Hell** be the **cost**? That’s a **Hell** as taught by the “*religious*” **zealots** who enjoyed being Called “**master**” by the lost.

Jesus said he came for only the “Lost Sheep of Israel” according to their Clock.

But he also said he has sheep that aren’t of this flock.

This means his evangel was directed towards **His “Chosen People”...**

Those who’ve had the closest relationship which may now lead today’s Religious **sheeple**.

But the problem with these people and organization is they think They’re holier than thou

All because they “believed” or “confessed” or “repented” after taking Some vow.

*These all came under the heading of “self-works” and blind pride*

**Thinking: what they’ve done lets them in and others stay forever Outside.**

Jesus did say for a fact that no man comes to The **Father but through Him**.

That’s totally true for sure and here’s where their light quickly goes dim.

**They refuse to acknowledge that He came to save one and ALL**

Because we’re ALL in the SAME condition of not seeking **God** after Adam’s fall.

## #115 **Woman, Where are your accusers?**

**Every man goes his own way *and screws up royally.***

**No man besides the 2<sup>nd</sup> Adam ever walked perfectly and loyally**

To do what the **Father of Love and Mercy** and **Grace** speaks every Second and every hour.

**God** alone chooses to whom & when **He** gives this understanding of Power

It's the power to overcome temptations - not to **not** sin - but trust In their own righteousness that determines for everyone whether it's Heaven or bust.

And this righteousness HAPPENS only when they've shown some

Outward religious sign

And show a continuous lifestyle & character that they're towin' the line.

Once again the **subtle lie** of **disbelief** puts the **onus** upon EACH SOUL And THEY have to put enough in the offering at the alter to pay their Own toll.

Completely ignoring what **Christ's** crucifixion means for ALL mankind. They can't grasp they've got billions of souls that will live and die but Not yet find

The **pure comfort of understanding** that **God's Will IS to SAVE ALL !!!**

It's not just an "OFFER" or legal description to be accepted or you'll fall Into the "**Lake of Fire**" as described by **THEIR DOCTRINE which imposes Only fear.**

They **deceive the lost into believing** that the **God of ALL is Not near!**

But they'll be separated forever **without ever being** forgiven & redeemed.

And it fits perfectly with their doctrine which easily seemed

To be in perfect harmony with a judgment of reaping what one sowed.

But we'll all pay what we owe - death for a segway to life bestowed

## #115 **Woman, Where are your accusers?**

Upon us by our Christ who told that adulterer woman that got set up  
**He does not accuse her of that deed** but to forget it and get up  
For **HE HAS PAID** the price he knew it would take to cover her  
Transgressions

Of the Law that DOESN'T lead to life but shows us what should be our  
Own confessions.

**Condemnation comes from the Devil** & **His spirit** shows in many ways.  
The worst way is he comes as an **"angel of light"** & covers truth with a  
Haze.

In the **P E R V E R T E D** Christian **doctrine** is **where** the deception surely  
**Happens...**

You're still on your way to **Hell** until YOU do something that somehow  
Dampens

The flames in the **"Lake of Fire"** & extinguishes them w/ **His Holy** blood.  
This pattern of flooding the problem area is just like Noah's flood;  
Saving ones numbered 8 which is **the # for rebirth & a new beginning**  
**In whom were found grace and came out of the ark grinning**

**Thankful to the Will of God to save ALL mankind** through the family  
That believes.

**Corruption** grew again and this **will be dealt with through fire** which  
Receives

The power needed to consume all impure elements tainted with the  
Curse of sin

And renew **ALL** things and give it back to **The Father** after **His** win

Over the ill effects of unbelief and distrust and **HE** sits upon the throne  
Seat

At the right hand of **God** to **judge** ALL CREATION as needing **GRACE** to  
Meet

The strictest of strict requirements to live forever in the **3<sup>rd</sup> Heaven's**  
Realm.

A place and existence unimaginably blessed without sin and the **King** of  
**Kings** at the helm!
