

## #117 *Happy 40<sup>th</sup> Birthday Joy*

*God has given you 14,610 days*

*And He has proven He Loves YOU in that many ways.*

*Each dawn you receive Mercy, Compassion, and Grace.*

*When you open your eyes He wants you to SEE HIS FACE*

*In people you talk to and friends you will meet.*

*He'll appear instantly if with a BIG SMILE you greet*

*Each and every soul you gaze upon, ESPECIALLY in the MIRROR,*

*Because of the "one" you "see" there, He Loves NONE DEARER!*

*The "eyes" I speak of are known only to spirit*

*Which means when God "Talks" to you... you "HEAR IT"*

*And it always ends with: "TRUST ME, put your fears in their place,*

*It's MY STRENGTH that will pull you through, as is always the case.*

*For I live within you. I'm called Faith and Love.*

*I'm also called Wisdom, not of this world but above.*

*These are the keys to life and they're in your hand.*

*Now after 40 years, GO RECEIVE the BLESSINGS*

*I've ALREADY PLANNED !!!*
