

#127 **The Kiss Of Life**

Ooooooh Mmmmmmmmy Goooooodneeeeeessss sake!

I had to make a double-take!

Did my *dream girl* just walk into *my view*?

I'm THINKIN' she JUST DID when I SAW YOU !!!

The split-second **you** appeared I thought; "Act upon THIS whim! I'm Takin' my shot!"

So here's my beautiful soul mate, now where the heck did I dock my Yacht?

I figured "**my babe**" just **appeared** to unleash my most intimate desire, So nothing stopping THAT from manifesting too, since "**RIGHT NOW**" You've got me so much higher

Than I've ever been in this lifetime, and who knows...maybe ALL I *MIGHT* have **EVER HAD**.

If **THIS** is how close to perfection I **FINALLY AM**, I will *never again* Experience the feeling of "**sad**".

All outside distractions disappeared when my *dream princess* turned My head around,

And *on a journey* through the "**Gates of Heaven**"... I *KNEW*... I was *now* Bound

Because the very next place **my concentration** and **focus** was drawn Was to *your alluring eyes* that looked like my Heaven's morning Dawn

So open they allowed me to *see deeply* into your **sweet** and **sensuous** Soul.

Somehow, someway this **MAGICAL View** made my life instantly **whole**.

#127 **The Kiss Of Life**

Then **like a magnet** we were **drawn together** towards friendship, then Intimacy and **BLISS**.

Our two positive life-forces synchronized when we enjoyed our first Passionate KISS.

I knew there'd never be any carnal-based issues like jealousy or trust. We instantly **connected to the deepest levels** and **you & I became US!**

This **KISS** got started - in **MY head** at least - **way** before **our lips met to Touch**.

Already, I had imagined **KISSING every inch of your body** – many times **OVER and oVER this much...**

That my heart started *pounding SO HARD* and my Creative Juices Started flowing,

My mouth started watering, and my eyes as well, as your whole being Was now glowing

With a **radiance** that exceeded even the brightest noon-high Sun's! I saw **your inviting smile a mile wide pleasantly** contrasted by your **Cute Tiny buns!**

I was really hoping you also had a great sense of humor When I told you **I've always been a super-late bloomer.**

Born in the evening on **the longest** day of the year in '57

I always thought I was growing up somewhere in **Heaven**.

I was surrounded by **Love** and security and family and friends

Believing this is how life **can be** lived - where happiness never ends.

#127 *The Kiss Of Life*

But all too quickly I became aware – that I was **very** blessed.

That the majority of souls today are **hampered by fears** and **extremely Stressed**.

I got caught up in that **“Rat Race”** too to a large degree
Until I was finally led to proclaim this liberating decree;

That I’m **MEANT** to be **HAPPY** and bring *special JOY* into someone’s life!
Be a **peace-maker** bringing harmony to our **ears** and **hearts** and ending
Our strife.

I do it with face to face words of encouragement and ***now also in poems***
And music

Spreading the **“Good News”** how words are great but actions complete
This **MAGIC**.

Getting back to **MAGIC** actions, I was talking about **our very first KISS**
One to be always **remembered** and **embraced** so ***its feelings*** we’ll
NeVer MISS.

Wholeness of Life doesn’t come by constantly **HAVING** it **“all”**.

It GROWS with **TRUST** and **FREEDOMS** to answer our soul mate’s call

In the way **WE CHOOSE *each precious opportunity*** to be spontaneous,
Intimate and dear.

SLOWLY enjoying **“Our time”** because time disappears when **WE’RE**
THIS NEAR.

I get to **see your beauty** and **smell your aroma** and hold you like my
Precious delicate flower,

Then hold you tighter and tighter, giving you more freedom as you give
Me this sacred power

#127 **The *Kiss Of Life***

To unleash the **Creative PASSIONS** *you've* been building up inside **your**
Tender soul

Reaching ever-increasing creSCendoS to its **CLIMAX** when you give
Up **Control**

And let love's security through my strong hands allow your **DEEPEST**
Relaxation through *stimulating vibrations*.

And when we're through, all we'll have for **God, life** and *each other* will
Be the *highest possible salutations !*
