

#129 Just Hold My Hand

Just **hold my hand**. That means **SO MUCH**.

It's the signal to our worlds that we want to touch

And connect at the friend level while we do our things.

Just walking and talking & **enjoying** what being near each other **Brings**.

Two **Joyful hearts** is what then becomes apparent to all.

Just this **act of union** with another at **ANY** level is a **ball**.

Butt, to actually touch *this part of our bodies* that is **used to create...**

And **when we hold BOTH HANDS** together . . . **oh, the pleasures we**

Initiate !

To **hold both hands** at once brings **this power** to **full force**.

And everyone **KNOWS** what **THAT** means, of course !!!

A position we hold each other where we **lie** to **see eye to eye**

And **every cell** of our **beings start vibrating** at a rate **so incredibly high**

Time and **space** and **ALL outside distractions** quickly **disappear**.

There is **no division** between **us** when **we unite** this near.

We then deeply penetrate each **other's** bodies, mind, heart, **spirit &**

Soul

Freely and WILLINGLY with **no holds barred** we release - to the other -

Control.

Now, in this **united state**, the partner **"has the reins"**.

Freedom to pump our spirit **up then drain** our weary veins

Of any & all energies & vibes just **itchin' to be released** & **"scratched"**.

& pleasures of **UNCONDITIONAL LIBERTY** just waitin' to be **snatched !**
