

#131 The **FAKE** Religious Smile

Oh, the hypocrisy on a **FAKE RELIGIOUS** smile.

I can spot one from about a quarter mile.

It will always appear in a religious cult's church building, for sure

Because a **new relationship** with **YOUR WALLET** they yearn to procure!

It's SO EASY to see WHO's "In it" for the money.

They'll preach a disposition that acknowledges things only light & sunny.

Proudly smiling (to your face) while describing **what we all *should see***

As "**God's Light**".

But when questioned about evil & dark things they'll always start a Fight.

This way they **end the inquiry** as to "**How** that could be?"

There **MUST** be **darkness**; *for where else CAN Light be used "to SEE"?*

IF **ALL WAS LIGHT** THERE'S BE **NO CONTRAST TO RELATE TO**.

THIS CONTRAST EXISTS EVERYWHERE ELSE & today it would equate to

Playing a basketball game in which the baskets meant **dittle**.

Can't say you won a game when different scores become **just a riddle**.

And one **WITHOUT AN ANSWER** that **WILL WORK for the WISE**.

I'll now **ask** some questions and leave it up to you to surmise

How they can even **USE** the **descriptive** terms "**Bad**" & "**Good**"

When no matter what transpired; it happened "**Like it should**".

Say a woman pastor or child gets **raped & murdered** and left for **dead**.

No EVIL power exists; so if you've got **problems** with it, they're all in **Your head**.

#131 The **FAKE** Religious Smile

Apparently **YOUR child's life** was just meant for this to happen.

The kid brought it on him or herself so don't let that dampen

Your **SUNNY SMILE** when YOU GO TO your church **to learn:**

"How IT Works".

But most visiting folks quickly get eager to walk away thinkin' "You People are jerks"!

It's GOOD that you'll need to learn to balance from one point of view.

That's exactly what they do saying **"I REFUSE TO DISCUSS IT"**. And leave

The questioning on that cue.

That's CRAZY. Denial didn't STOP your kid from **EVIL** and **GREAT PAIN.**

COME WALK THROUGH OUR DOORS. All is good. Let us explain.

Of course, this takes classes that will cost lots of money.

P.S. We also teach to give **them** money **JOYFULLY** & **BLESSINGS** directly

Relate to how you give. **FUNNY!**

JESUS didn't "charge" to **ENLIGHTEN** the troubled. Got **PISSED** at THOSE

That DID.

I know for sure that **those** that **can discern TRUTH** stay far away from

That grid.

I told you it would be hard for **ME** to try to understand or explain

There's only 1 power & 1 God that **also** operates *through the insane*.

So acts of violence or random events are only accepted as Good lessons.

And I agree, in time. But out of both calmness or tragedies can come

Blessin's.

Jesus and James said the tongue HAS POWER to give life OR KILL!

So do "bad" or sinful **thoughts** that come to fruition just for the thrill.

They taught this 2,000 years ago and only the spiritually blind can deny

If you preach only "Good" exists; it'd be OK & "Good" if I poke out your Eye?

#131 The **FAKE** Religious Smile

Yeah. It's "**Good**" that you brought it on too.

Gets tougher & tougher accepting that point of view.

It's crazy & irrational to just **deny evil** is part of **God's** plan to use pain
Spirit says it's just another **tough tool used** by the **Law to explain**.

Come join our classes. They *don't* cost *lots* of money.

Jesus & Buddha & Gandhi never CHARGED to enlighten. Funny.

Some lesson you scored "**Bad**" on just changed your whole outlook.

Hope you see **NOW** how new people might see **YOU AS A CROOK**.

Send money our way with **Joy** & **blessings** will return in some manner.

Usually not in the same way but they still hold up the "**Give cash**"
Banner.

We were told money will just appear like "**Magic**" so never you mind.

Heard pulpit preachin' that money **WILL** "**appear**" in mom's mailbox
Right at the **LAST MONENT...** or the same as "**RIGHT ON time**".

Of course blessings won't always mean monetarily back.

God is good. **You DESERVE** to be *in your position* of lack.

It's to learn to do "**GOOD**" and **not** "**BAD**" the next time you give;

And all things will work out for you. **Be happy just to LIVE**.

Have gratitude you're **near starving** & **sleeping** in your **truck**.

But **don't** stop by "**To SEE**" if we **back up our words** or they're just
Muckity-muck.

I had a **serendipitous opportunity** to share exuberant **JOY** with our
Group.

Asked for permission to share a **BRAND NEW poem** spot on with

Today's sermon. A NO-GO. **OH POOP!**

#131 The **FAKE** Religious Smile

Two minutes was **“too long”** & it wasn't **“approved”** beforehand.

DAMN! How could it have been if I just realized **God's** timing and plan?

“What's to Value” – the name of my poem **exactly!**

Apparently the **“Spirit”** **doesn't “work”** from the crowd when **IT** desires.

It works with leaders **only** from the pulpit **contractually**.

“I get PAID to lead this church & I'll bring this place to WHOLENESS”

“Remember, we teach God is present in every soul's face. No need to Guess.”

No matter their religion, or beliefs, or where they're coming from

Just DON'T ASK ME TO actually do WHAT I CAN for you – that's **dumb.**

We're just here to teach but not relate to or respect your tough spot.

Again – **they teach “What goes around, comes around”**. **You'll GET**

What you've got.

So again, your kid must have been really **bad**, not **“good”**? Maybe

Hampered by **FEAR?**

STILL NOTHING TOTALLY EVIL IN, OF, or AROUND the perpetrator as a

“Spirit energy” had **anything** to do with losing your kid. Some day **you'll**

HEAR.

Such bull crap excuses for not giving a hand.

I only asked for **friendship** and **compassion** – not a flippin' house or a

Grand.

I'm fine **where I AM** for now & actually **quite HAPPY** to be **HERE.**

Takes time to get over a divorce, you jerks. Like maybe a year?

#131 The **FAKE** Religious Smile

Just **WAIT** till **YOU** LOSE **YOUR** IDOLS that **YOUR** SECURITY LIES **IN**.
God does surely Loves & lives inside **you too** – so these lessons are on **Your** horizon.

The **Laws of TRUTH** are **neutral** so through *personal choices* we **DO DECIDE**

In which energy side – **light or dark** – do we confide?

Here's the part that I will never tolerate & let stay hidden;

Is when **"religious"** people only care about **THEIR "business"**. Hard Questions are **forbidden**.

If **YOU** were **hungry** and **hurtin'**, being **taught** **"How to overcome it – Someday"** would be *enough*?

I heard: "Here's a list of Big Brother government support. If you can't Find any help FOR TODAY...TOUGH!

I'M NOT SET UP TO SUPPLY WHAT YOU NEED".

EXACTLY. It's takes **KINDNESS & BROTHERHOOD.** NOT SELFISH GREED.

HOW CAN YOU SAY YOU DON'T HAVE ENOUGH WHEN SPIRIT PROVIDES all?

Did you forget that **The Spirit of Compassion and Kindness** for Somebody else **MIGHT actually CALL**

On provision to appear instantly (**from what YOU'VE already been Blessed with**)?

I'm **suppose to be** your brother, neighbor, friend and child. **I was totally Messed with.**

Jumping to conclusions driven by **FEAR & PRIDE.**

Huh. The two bad things **religion** - from **TRUTH & PEACE** - **can't hide!**

One guy in need may not turn into **100.** Even so, **what if it DID?**

Could you dare?

No? You **can't** envision a vision of **"WHOLENESS"** meaning you **help** me Get **started** over again **and I'll take it from there?**
