

#132 **BALANCE and HARMONY. . . God's E.Q.**

One thing anyone "of TRUTH" **WILL** agree *upon*;

God **IS** "The **KEEPER**" of **DIVINE ORDER**... not *confusion*.

Laws are the canvas our lives get described *by*.

Rules, Laws, and guidelines set "**HIS PEOPLE**" **FREE** but make slaves to Religion's *cry*.

How this gets brought to our attention *varies*.

It all depends on how our UNDERSTANDING of **GRACE & LOVE**

Grows or *tarries*.

These rules apply across **HIS E.Q. board** which **FINE TUNES**

Each **soul**, each **MUSICIAN** in God's orchestra of **princes** and **goons**.

The vocal *seek* **HARMONY, RHYTHM, RESTS, & RUNS** using many a *note*.

MORE Creativity to incorporate minds "**on the fringe**" is what we *tote*.

God...human consciousness of **HOW** things CAN work *out*

If we continue to communicate without the spirit to pout

When things don't seem to manifest exactly **WHEN** we **DESIRE**.

THAT's when our **EGO's** vocal chords tighten so our understanding

Comes out *higher*.

The "**Wise**" often tighten up so tightly they stop **ALL output**.

Fools speak loosely without **Love's** filter that leads to their big **foot**

Ending up in their mouth quite often, so to *speak*

Because stresses and laws and rules make them *weak*;

Whereas leaders **enJOY** the challenges set before *us*.

We discover **UNCONDITIONAL LOVE** leads us to sing, but the frustrated

To *cuss*.

#132 **BALANCE** and **HARMONY...God's E.Q.**

Extreme **highs** and **lows** on **God's E.Q. board** have great **influence**
But to those musically "**Tone deaf**" they absolutely make no **sense**.
These "**Notes**" are "**Callings**" – people and situations are our
"**Spice of Life**".

We learn to balance our **Highs & Lows** and avoid overly complicated &
Unfruitful **strife**.

Life is **WILD, EXCITING**, always **NEW** and **UNPREDICTABLE**, a **bit**;
But never to the point we can't get all the "**NOTES**" to "**FIT**"
Using a "**Rock-n-Roll** or **Jazz** , or a **Folk** or **Blue's** style **emotion**
Finding measures and beats to employ **ALL POSSIBLE COMBINATIONS** is
Love's Potion.

Notes, scales, modes, balance, movement, rests and pauses, timing,
And fluctuating **volume** are all **part**
Of **HOW** you and I can use **music** & our **LIVES** to **TOUCH God's HEART...**
Stay basic and simple – get along with your neighbors and "**Live**" The
"**Golden Rule**"
So when you look in the mirror every morning and every night, you'll
SEE a **WISE** soul...not a **fool**!
