

## #134 WHAT I DESIRE

The **POWER OF LIFE** starts with **POSITIVE INTENTIONS**.

I **DESIRE** not correction but *improvements* in my **contentions**;

Starting with this very first line written just **now**.

**LIFE'S POWER** doesn't "**START**" anywhere; but just "**IS**" *somehow!*

Alpha. Omega. No Beginning. No End. **CanNOT** be destroyed, only **CHANGED**.

**THE Word...IS...CREATION** from **ALL** there "**IS**" ... just *re-arranged*

Into the reality I **DESIRE** which **WILL** come to *be*

Because **MY SPIRIT OF LIFE** inside *my* **MIND IS ABLE** to **SEE**

**THE SAYING**; "**With GOD ALL Things ARE POSSIBLE**" is more solid than a *Rock*.

A rock is just a collective manifestation of mankind. So is a "**Clock**".

This means with **God** – **ALL** that there "**IS**" & "**IS**" means *Ying / YANG*.

Where my soul **DESIRES** to **BE** *this instant* is giving me my *biggest* "**Bang**

**For my buck**"; the *understanding* of "**Luck**".

**Why** I've so often waddled in the muck; which generated a verbal Outburst... usually "**Yuck**"?

Ha. Just kidding. A *different*, more *forceful* and *fuming*, *rhyming* word I **Frickin' used**.

So stay with me here and don't get **confused**.

That emotion I released was negative on the *surface*;

But in reality what it **DID WAS SERVE** its intended **PURPOSE**;

To bring to the **FRONT** of my **MIND** how I saw **MY LIGHT**.

**MY CREATION WAS NOT** in **HARMONY** with **PEACE** – so I had to **fight**

## #134 **WHAT I DESIRE**

The only way I knew **HOW** TO – at that **time**.

Today – that attitude has “Turned around on a **dime**”.

**I CHOOSE** TO re-arrange again the sour lemons my life is giving me and Adding a **lime**.

**NOW** , what **I SEE** and **HAVE** at my fingertips is totally **SUBLIME**.

For instance, just now, I double checked on this word’s **meaning**.

What a **PERFECT** Word God gave me has me brilliantly **beaming**

With this energy I **KEEP GETTING** – I **BELIEVE** it’s my **FAITH** becoming Substance.

The definition of **sublime** – material things changing into vapor then **Re-appearing** in a **instance**

Of “**PERFECT TIMING**” by God – I **LOVE LIFE SO MUCH**

I **DESIRE** every sense of sense I have to **touch**

**MY female** counterpart I **KNOW I WILL FIND**.

Like me – she’ll love the fact she’s also “**ONE of a KIND**”

As special in her own way to me as I am to her.

The energetic spirit of sharing will continue to stir

Her **DESIRE** to **EXPERIENCE INTIMACY** with my soul

**OUR PICTURE** of two delicate bubbles **meeting, touching, and gloriously MELDING** into **ONE WHOLE**.

This happens when two vibrations of intention are **SO CLOSE**.

The **ULTIMATE “THING”** we could **POSSIBLY DO** is **enJOY** another **DOSE**

Of **sweet LOVE-MAKING**, in the flesh and **even stronger** in our **spirit**.

The **GLORY** of God I experience **gazing gleefully** into your **sultry eyes...**

**SEEING YOUR SENSOUS SOUL... I DESIRE TO BE NEAR IT !!!**
