

# To Joy; Joy's 41<sup>st</sup> Birthday Surprise Poem

#137 ( Friendship )

You are the *only* **Witch** I've ever met !

Told me your "**powers**" were gone, **Not true I'll bet.**

When I met you I got inspired again to write

19/20 now (ha) more poems which brought forth this wonderful light.

A new spirit of **JOY** resounds throughout my newest.

Started out **gold**, then I blew it, proceeded to turn its **bluest.**

You said you'd only hurt me. You did but not as you thought so.

**PAIN** is the *2nd* strongest force that makes us **GROW**, (It's all Good)

The **STRONGEST** is **LOVE** which includes *friendship* style to override

The confusion and doubt about your current intentions inside

Your **hurting** heart and your **pouting** head.

Told me to "**Leave your life**" so our friendship **fell dead.**

But like this "**Picture Of HOPE**" book **shows** thru the poems inside

The **POWER** to rise again to a better life comes when you decide

To show the world the "**Spirit Of JOY**" that YOU **KNOW YOU ARE** !

It's just that you've wandered down the **SADDEST** PATH TOO FAR.

So either **PAIN** or **LOVE** WILL pull you out

Sooner - or - later. There is **No DOUBT.**

To re-connect with souls made stronger thru trials - our schoolin'

One can never have enough friends. And that's no foolin'.

That's all I ever wanted with you. I was new to this place.

Sometimes a relationship is put "**on hold**" to give it space

To mature into what both parties agree may take hold

Knowing **WISDOM** states: Make **new** friends, but keep the **old.**

The new are **SILVER** + the old are **GOLD.**

# Joy's 41<sup>st</sup> Birthday Surprise Poem

## #137 ( Friendship )

**Friendship** with you was all I desired.

It was going well. I **was** blessed just to hold your hand. **Till I "Got FIRED"**.

I had no plans to move in with you. I just needed 1 day.

It made me sad you listened to your "A.A." (friends?) trapped in "**HELL**"...

Instead of listening to what I have to say.

So I **hope you'll read** my book + discover my journey.

It didn't end in a **pile of ashes** on a hospital gurney.

Please read my forward and the latest ones inspired by you.

When you decide your "**MAGIC**" is back, you'll know what to do.

\*Written at bottom of inside front cover.....continued on back cover. ha. Did you doubt?

My intention is not to manipulate you in any way.

I made my choices. **YOU HAVE TOO**. So what do our worlds look like today?

Haven't seen you for near exactly 7 months now.

If we're to re-connect, it will happen... somehow.

\*The "**Law of UNattachment**" means I'll accept ***if it should not be***.

The **MAGIC** you said you can do, I **really, really, really wanted to see**.

Just wasn't the right timing which seems odd to this musician.

Usually I'm pretty "**spot on**" **always FINDING HUMOR** under any **condition!**

I recently read a book by a **Shaman** I met.

**Humorously**, to me, I've been given a clue I still don't get.

He said **jokingly** that the "**Answer to Life is 42**".

You are just **TODAY** starting this year in **your life** so **please** – Go

**" Find yourself "** to **SEE** exactly what **JOY** really wants to **do**.

**Please read God's Light Blossom**

( I did not sign it - written fresh off my pen on inside of book covers. )
