

#143 The **Bigger** Question: **Do I CARE?**

So I've thrown **God** out a fleece to prove to **me**
If the **Love I KNOW** that **LIVES INSIDE** of me can keep me **free**
Of complaining beyond what constructive criticism **unveils**
The **LAW** is so precise I can't remember all the **details!**

The place I find myself right now is not at all **fun**.
Still have trouble **WALKING** with **God** – I'm so used to being on the **run**
My nervous system learning to relax, no longer "**Under the gun**".
Life is grandest *under the umbrella* of The **Law of GRACE**.
Needing to Prove I Love is **DONE**.

So funny, I just looked up at the time. It's **4:44 A.M.**
4. The number of **CREATION** times **3** meaning wholeness. **Shazam!**
MAGIC JUST HAPPENED. The **LIGHT** flashed & showed me the "**Way**".
The **CREATIVITY** within me **will bring** a **new life** to me **today**.

Isaiah 55 says I'm to **SEEK God** where I can **FIND Him**.
To be perfectly honest, I see He likes me hanging around a **gym**
Where I can *use* the facilities *however I choose*.
I used to pump my muscles up **REALLY HARD** but today that only
Gives me the **blues**.

The **old way** I used to treat my body made it **break**.
Stimulating my muscles now to receive new blood only makes me **ache**
Due to a misalignment of my spine and **my ability** to **stand erect**.
There were **too many vibrations** **killing my soul** I couldn't **correct**.

#143 The **Bigger** Question: **Do I CARE?**

Using the same paradigm ... that *being* a man I need **control**,
The **written Law** as a safety net with holes in it doesn't bring
Peace to my **soul**.

If I look at every moment as my worth being so **miniscule**
LOVE WILL ALLOW me **to FALL** THROUGH its **nets** & use **HELL** as a **tool**.

I've been through **HELL** & have **RISEN** after **MY 3 DAYS!**
Honestly though I still feel in a bit of a **daze**.
Haven't gotten my gyroscope compass to "**Find its CENTER**"
It's **INSIDE MY HEART** where the **Spirit of GRACE** is my **mentor**.

It's time I get out of the pulpit & actually **WALK MY PATH**.
Saying how to "**live**" & actually **DOING IT** with perfect **math**
Are 2 different things that take a Heavenly **equation**
Where **LOVE** *might* or *might not* be seen & received,
GRACE will not allow any **evasion**.

The giver & the receiver both will know **WHAT LOVE IS**.
Both sides helping the other build up & release their **JOYous jizz**
After stroking the other in the ways they need to have & **Trust**.
Then we'll have treasures in **Heaven's** realm, not in **EARTH'S** where
ALL carnal dreams **RUST**.
