

#149 Guided by LOVE . . . Not SueuX

I **KNOW I AM. I AM** guided by *Love...not SueuX*.

Although my **GUARDIAN** angel's message sounds like I'm following the text
In the owner's manual – the Bible – to me, and also many in tune
With **HOW** a **LOVING** spirit's **QUEST** of **THRIVING** is expressing itself
Through **this certain soul born in June**.

Saw a synchronistic event recently that stayed true to my course ;
It was not condemning but **HONEST** in **HUMOR** straight from the “**Source**” .
I'm a **Gemini**...through & through & very “**happy go lucky**” with **that**
Except when **harder tests** happen and **crap hits the fan** and **goes splat !**

But again, I've **LEARNED** how **Love** always finds its “**Way**” .
It's always available through **MEMORIES** and **DREAMS** but **most**
GLORIOUSLY TODAY!

For **THIS IS** the **DAY** that The **LORD** has surely made.
Let us **REJOICE** and **BE HAPPY** and **ENJOY** the **path** already laid.

It is **grounded** in **PEACE** & **HARMONY** with a **COMPASSION** for fellow man
Who **will do** whatever **the Spirit calls** that will uplift another as **ONLY**
I CAN!

We can't see the **whole picture** but can get the general **clue**...
Like **LIFE's** a **BIG PUZZLE** and **WE DEVELOP IT** daily by what we
THINK, SAY, and DO !

Remember there always **IS & MUST BE** that a **GIVING FORCE** from **OUTSIDE**
IS AVAILABLE to balance out the **HARDER** vibrations that **WITHIN RESIDE**.
The need for **INTIMACY** & **FRIENDSHIP** must **go hand-in-hand**
Or **EVERY CARNAL-based** relationship eventually gets a **TIMELY**
RELEASE like sand

That slides down the **hourglass** of TIME & ENERGY given.

I'm thinking theoretically that time can't end – but only goes slower –
Makin' livin'

Worth all that much **MORE** when the “Big Picture” IS **The “LIGHT”**.

There is no need to need to distinguish whether to “Fight or Flight”.

Even more basic than what **that self-preservation response can awaken**

Is that **FEAR** is the **DEEPEST** EMOTION, some **IDEA** of SEPERATION
From **LOVE of our OWN makin'**.

Some place called “**Hell**” where all rules of compassion voluntarily
Get thrown aside.

But **the TRUTH IS** that **Love WINS** & from Truth & Love – *like* Adam & Eve –
WE'RE the ones that **HIDE**.

My picture of “**Hell**” is when one **LIES TO ONE --SELF**

And “**gives in**” to the diversions at the self-serve shelf...**NOT** the **TOP SHELF**

In the grocery market, or the **Barn of Plenty** referred to in the Bible.

Just shows how fine and sharp that thin edge is when we live where
We're liable

To slip into a world where we **WANT MORE** than we're given.

Again, the **PAST** and the **FUTURE** is **NOT** where we're to be livin'.

STAY in the **PRESENT** but understand that “**all there is**” is also all there
Is **NOW**

And **CHOOSE** what you can **ENJOY** and **ALWAYS BE THANKFUL**
Somehow.

#149 Guided by *LOVE* . . . Not *S-u-e-X*

For **SOME** it's easier to do and *SOME really, REALLY HARD.*

It seems to *depend* on the HAND you've been given & which *SPECIFIC CARD*
You **DECIDE** to throw into the equation of WHERE YOU NOW *SIT*.

I say *one's ability* to **BRING HEAVEN** to **THIS EARTH** depends on HOW
HEALTHY and *FIT*

One *IS* to spread the "**Good News**" that "**IT IS DONE**"!

No more division between **Father** and **children** or NEED TO RUN.

WALK with *GRATITUDE* and *SHARE* the *BLESSINGS* given to you.

LOVE GIVES OUT MORE than it receives. Just give only as (you) **WILL**

And let's *en Joy* **HOW Love** (through you) **gREW!**
