

#150 *First Impressions / Best Intentions*

In The **B**eginning, **G**od said: “*Let there be Light*”.

Thus into **some idea** of **a void** our *first impression* take on **sight**.

Nothing created but what’s most important to believe.

A blank canvas – so to speak - to display the gifts we can conceive.

My **1st Impression** where I can *retrieve* some *sense* of **self**.

Connected to a **Mother figure**, *seeded* by **The Father** – who *creates* Wealth.

“**Prosperity**” is the word passed down into all generations & now into you;

So pay attention, **What do** we, **I** and **you** *vibrate* out from within **that**

We believe *would be* true

Or **could** be, or **should** be true. *We all choose how to use our gifts.*

Situations and synchronistic events seem to mirror our “**Home Runs**”

And **3** strike “**whiffs**”!

Every breath shows God’s presence... Every heart beat the pressure From His Hand.

Let’s choose a meal at the “**Wedding Feast**” that’s full of flavor and Spice...not bland.

1st Impressions happen constantly but we only take **notice** of **a few**.

Quite often our appetites induce us to **bite off more than we can chew**.

Some consequences are **HARD to swallow**, *some* make us **gag**.

Some irritate our peace so badly we **throw them back up!** So keep

Handy that bag.

#150 *First Impressions / Best Intentions*

What makes you only puke is a gentle way God “talks”.

Take heed. *Sweat, tears, crap* and even *blood* will follow if one
Continually balks

At the **Impressions** coming in contact with your identity within.

Jeremiah 29:11, going back to God’s word says His “**Best Intentions**”

Bring prosperity...owning a “**Good walk**” and that *being rich* is **not**
Of itself a sin.

So what are God’s “**Best Intentions**” for any one soul?

It’s **UNCONDITIONAL LOVE** - for all - so we all end up 6’ under in some **Hole**
Described as “**Hell**” where **LIFE’S ORGANIC power** *is really just* turned
Way too low.

We simply give power to the *spirit of fear* when we listen to the “**Liar**”,
The “**Devil**” when we should know

This *self-conceived negative* notion can only vibrate as long

As you let it possess your body – the human form – which will seem
NOTICABLY wrong.

You’ll feel *nervous* and *anxious* and *worry will dominate your mind*
Until you remember you’re still a **cell** of the Holy Divine.

So choose...a **cell** in Christ’s “**Body of Believers**”

Or a **cell** in “**Hell**” because you listened to the **Devil’s** deceivers

That led you there – “**your place**” of self **condemnation** & feeling an
Unworthy **spirit**;

All the time God’s **angels we’re telling** you the positive spin of your
Situation, **but you wouldn’t “hear it”!**

#150 *First Impressions / Best Intentions*

The Universe has its “**Best Intentions**” surrounding your soul.

We’re to understand this time of **testing on Earth** will demand its toll.

Your **physical body** will be **destroyed for having corruption.**

But after its death at your passing, your spirit and soul will continue a
Production

Of **LOVE** for OTHER SOULS, human and animal – whatever breaths air.

God forgives humans *since* we **ALL GET DECIEVED**, so it’s only fair

And **JUST** and **TRUE** **because LOVE KNOWS HOW to overcome,**

And we’ll all do “**our part**” to spread its seed when we’re no longer
Dumb

But aware that **Love** means **ALL PARTICIPANTS VIBRATE IN HARMONY**

And **PEACE**

When differences are **celebrated** with **JOY** and hate and wars **cease.**

We understand this body is given us only as a *lease*

And **UNCONDITIONAL LOVE** – called “**GRACE**” – towards our

Neighbors – our **brothers** and **sisters** –

WILL For**ever** *increase* !!!
