

## # 152 To Be ENAMORED

IT'S FINALLY come to the FRONT of my MIND

The WORD that DESCRIBES WHY we're ALL 1-of-a-kind.

DARN IT! I can't get away from thinking **duel-meaningism**.

Adding LIGHT to any word, picture and EVEN idea exposes God's  
*Creation prism*.

**God is** : the ABiLiTY to **CREATE!**

EVEN THOSE THOUGHTS came from somewhere then were sent to permeate  
Whatever medium that particular EVents uses.

A continuum of a process and connection that fuses us *muses*.

Holy smokes. Speaking of uses...already I have two more words to enjoy.

The words *muse* and **medium** is HOW God does *employ*

Each MIND or THOUGHT or HOWEVER things MAY BE DiVideD TO SPOOF  
IN ORDER that only SOME WILL UNDERSTAND it with an ever-DEEPening TRUTH;

Along with those who VIBRATE & can HARMONIZE – thus UNDERSTAND

What YOU & I CONTIMPLATE at any given moment is what we hold in OUR HAND;

As God is said to do with ALL things created, including JESUS;

The FLESH manifested man given as a sign that God WILL RETRIEVE US

From this “Hell on Earth” – the THINGS THAT DISTURB OUR PEACE.

The gates that EMPRISON you are locked tight only because YOU

Won't release

The CREATiVe ENERGY that **is** the **ABiLiTY** unto which “NOTHING IS  
**IMPOSSIBLE**”.

The nuance **is** : God's REALLY GOT IT DOWN concerning the issue of  
**CONTROL**.

## # 152 To Be ENAMORED

Getting back to where this poem started,  
Talking about how we're **ALL 1 of a Kind** people that somehow have  
Departed  
From the **UNITY** of wholeness into **singular, quite independent cells**.  
Once again **words conjure up pIctures of personal "HEaVens" & "Hells"**.

But also **1 of a Kind** – as **unIque** as to **HOW** you can **PERCI**VE  
**1 of a Kind** – ALL FROM THE same **Image** is what we're **LED** to **BELI**VE.  
This poem is about being **ENAMORED**. Already 7 stanzas long  
And what **I WANTED** it to say, **I'm DOING** by example, **giving words**  
To my song 

That sends *your minds thoughts* in so many *directions*.

The one **I'm concerned** mostly about is how people *cause erections*  
In many **forms & shapes** that accomplish our **CREATOR's INTENTION**  
TO **ERECT** and **RAISE** or establish upon a foundation...our OWN  
**PERSONAL REFLECTION**

Of WHAT "**I am**" **iS**... "**Made IN God's I m.-age**" **MAGICALLY** brought  
About;

**PLURAL Im-AGES**...not one... but **YET one** without doubt;  
And **yet doubt IS** what **DIVIDES** & gives a **place** for **VIBRATIONS** to BE  
From the "**Beginning**" when **God** said, "**Let there be LIght**"...the  
**ABiLiTY TO SEE!**

**Nothing** created *yet* but the **blank canvas** of **DARKNESS**.

**DARKNESS IS FEAR, UNBELIEF** in **Love's POWER** in the most extreme starkness.  
I'm **ENAMORED** with the **IDEA** this  "**Hole in my Heart**"  
Will stop dominating my life when my **MUSICAL BAND** gets its start.

## # 152 To Be ENAMORED

 **MUSIC** is my 1<sup>st</sup> Love & **I feel it** must be expressed.

Substituting it for a 2<sup>nd</sup> shelf option only gets me depressed.

A bit “Abrahamic” in attitude...planting seeds in unblessed “soil”.

A distant child & another women in my life is the “Hell” in which **I now** toi l.

**I** have one ENAMORED with me *at this stage* of my life.

Days from 60 years old & separated from the woman **I had** twice as my wife.

Is this new one a reflection or reincarnation of how **I felt** years ago?

Drawn by a **SEXY** body & caring heart. Time to share my love. Here **I go**?

**I**’ve written how *with my 1<sup>st</sup> wife upon 1<sup>st</sup> sight I heard God’s voice say:* “This is the girl you are going to marry”. For this woman I *didn’t hear* that But that’s O.K.!

She’s **Super HO.T.** & **SEXY** and says **she** needs a strong man.

She thinks **I AM TOO!** So **I**’m willing to give her *as much as I can*.

But at this stage of my life **I**’ve found out that might **NOT** be ENOUGH.

Being someone’s Savior, Father, God figure, or even “Dream man” is

**TOO TOUGH.**

When the **VIBRATIONS** don’t reflect back & **CREATE PEACE TO BOTH SOULS,**

People are good at *fakin’* it for a  $L^*O^*N^*G$  time, (bu)(tt) EVentually

*It takes It’s tolls.*

**I** thought **I** deserved a *beautIful* mate, and still do;

**Not** because **I**’ve earned anything, but perfection always works right on cue.

And being on cue means timing is **EV**erything and seasons are set.

**Both** parties **WILL** EVentually “**KNOW** - *without a doubt*”

If the “**RI**ght one” thEy’vE MET **! \* ! \* ! \* ! \* !**
