

#153 I MADE IT to 60

THANK GOD! I MADE IT up to 60. YIPPIE!

Got positive VIBES still going... I'm a *spiritual* hippie.

Been "*High*" since the *70's* and **STILL enjoy feeling tippy**,

Although my *body's* a bit *GIMPY*, my metabolism is **STILL very zippy**.

The **SECRET** I've found *IS staying CLOSE* to **HAPPY**;

That includes during the **TIMES** that I **FEEL HUMBLED & CRAPPY**.

Happy in the sense that **JOY STILL** reverberates through my **BEing** being

So **yappy**.

Unless **you follow** my spiritual **JOURNEY**, also with **JOY**, my poetry may get you
Feeling **nappy**.

That's all right with me. **It's YOUR CHOICE** to continue

To search out the "**Living Words of Hope**" that **LIVE IN** this venue.

My dream is exactly like everyone else's **when you**

UNDERSTAND that **GOD, Love**, your "**Higher Power**" or **Universe WILL** Send you

SYNCHRONISTIC EVENTS that can **HELP** you **decide**

IF you **ALREADY TAKE NOTICE OF THEM** and go along for the **ride**.

As with **ALL THINGS**... we must **USE** and not **ABUSE** but **SECURLY ABIDE**

In the **GOOD FEELINGS VIBRATED** during **CONNECTIONS** with whomever

You **confide**

ALL your **THOUGHTS** and **EMOTIONS** to...a person or a **SPIRIT**.

Depends on the **SPECIFIC INTENTION** & who or what you want to **HEAR IT**.

What we send out we get back so we should learn to **STEER IT**

To an environmental "**Bubble of PEACE**" **so wonderful** – **EVERYONE WANTS TO
GET NEAR IT!**

I may sound like I'm trying to **emulate Jesus**, somehow.

I'll demonstrate a little **mini-miracle** I **INTEND** to **FEED MILLIONS** with **this**
Spiritual "Chow".

Like in my **50th Anniversary poem to my parents**, the last line **concluded** with a
Final funny POW.

I'm sure many more will come so I'll **quickly** just **end this poem** of **GRATITUDE**
Right HERE & NOW !
