

## #154 A “Piece” With PEACE ?

*I'm still not ready*, so my reflection again is **distorted**

I hope readers will **remember** the last time **THEIR PAIN** was reported

Back in their **OWN FACE** so to **gain the power** of **ONE BODY**

Exercising **compassionate Love** for another **cell**.

All the glorious facets of **God's Love** for **ALL SOULS** involved that are

**DOING THEIR BEST** throwing off the **EFFECTS** after **WALKING**

**THROUGH** some **HELL!**

Seasons of life change as does the plant world for our subtle **REMINDER**.

No matter **WHAT SEASON** either party **IS EXPERIENCING**, we can

Look back to days **We could have BEEN KINDER**.

**Brotherly Love** means “**Family**” wildly **diversified** into sisters and Brothers.

**If** one arm of **God** **PRESSES TOO** uncomfortably for **TOO LONG** it **Always smothers**

Another **Cell's** supply of oxygen – seen as **FREEDOM TO EXPRESS**

The **LOVE & EMPATHY** to **let OTHERS express their** current **foliage**

Changes & confess

Their feeling through their **VIBRATIONS** they **GIVE OFF** and also

**ATTRACT**.

I know **God's MERCY IS UPON** me and who I meet **SO OFTEN**...as a Matter of fact.

The world is **full of distractions** that **impede** our **BEST efforts &** direction.

There's **ALWAYS** a **CHOICE** to be **MADE** as to what **gives** one's **spirit**

And such an **Erection**.

A **commonality** of **NEEDS** and **THOUGHTS** are best to be dealt with

Using **Kid gloves**.

Almost without fail crap hits the fan when someone says he or she “**loves**”

## #154 A “Piece” With PEACE ?

The other partner, (bu)(t t) their *concept is DIFFERENT* for EACH SOUL Who FEELS.

When the FRIENDSHIP isn't established SOLIDLY – someone always Squeals.

When the PRESSURE from VIBRATIONS DEEP within that will not HARMONIZE

The relationship needs to be stripped off – the Biblical picture is Called to “Circumcise” ...

To “CUT OFF” the excess sensitivity that may be a bit TOO MUCH To CONTROL if the other partner gets TOO CLOSE & so to tenderly touch The others’ “PANIC BUTTON” or “TRIGGER” that OVERWHELMS One’s mind.

Alcoholics “BLACK OUT” and don't remember what happened until The next day when they find

That decisions made are not bringing the PEACE one dearly sought. The souls that DO REMEMBER ... and GROW STRONGER are the Ones that Got taught

That as you get closer to your own personal goal

There's always a *trickier & more alluring slippery slope* and **hole**

That brings to conclusion the change, like the ant walking onto the sand Spider's vortex.

The more the victim struggles, the more one experiences that surely A lot more hex

Comes over the being to speed up the process of improvement.

When the “LIGHT” finally comes “ON” to realize what they went Through meant.

## #154 A “Piece” With PEACE?

**FORGIVENESS** is always at the **TOP** of our list

Especially towards those they got close to and **kissed**.

When the ultimate thing **God** has **CHOSEN** for **YOU** stands at **your EDEN'S GARDEN DOOR**

There will be an end to all doubt that **God** could possibly give **you** Anything **more!**

Whether it be a *woman*, a *skill*, a *career*, or *path*, or *dream*...

***We'll choose.***

If we're *not willing* to let it's time end naturally *we'll lose*

The **GIFT** of the **EXPERIENCE** set up to benefit me and you.

When **we finally find PEACE** and stop **lying** to ourselves, and **RETURN** to **WHAT'S TRUE.**

Rich Kovatch
