

#155 How Lucky I AM Rich \$\$\$

How Lucky I AM to be Rich and FREE !

It's the **ONLY WAY I KNOW** how to be ME.

Given **LIBERTY** to explore my universe...my world...and you.

Somehow you are **God's** face as my mirror to what is **TRUE**.

Synchronistic Events are a most curious thing

Because of the endless possibilities creative energy may bring

According to **OUR WILL...** "Let it be Done".

SHARING the JOY of Love is my **ULTIMATE FUN** .

Speaking the "**Good News**" – **LOVE HAS WON**.

There was only one battle that needed to be fought by the Son

Of **God** – the **Spirit** that **LIVES** brightly **shinning** WITHIN EACH SOUL !

When the **carnality** of this world is **BURNED OFF** & we've been **properly Molded by its toll**.

To carry on as a **wayward son** has perfect truth when heard in **Love's Spirit** .

Say, "**Wayward**" , it sounds **lost** in **today's spirit** that CONDEMS

Because they **FEAR IT** !

Consider this...**divide & conquer** works **BOTH** directions when **applied to teach** .

Revelation 13 says when one sits on the "**fence**" the **UNDERSTANDING** of **Love's Spirit** doesn't quite reach .

For **MIGHT** the "**fence**" signifies **APATHY** – not making a **CHOICE**

Out of **FEAR** your decision might follow the "**Way**" of the "**Word**" from

The wrong voice;

Not the voice of **God** – known thru the **Spirit** of **Wisdom, Kindness, Mercy, Faith** and **PEACE?**

Reflections & actions ARE the way the "**Word**" causes this **WHOLENESS** as

GRACE to increase .

#155 How Lucky I AM Rich \$\$\$

We are to “diVide” the “Word” RIGHTLY to discover what He hides .

His own “Word” says He does that as the process through which He divides
The “Goats” from the “Sheep” – those SUPER stubborn or just too
FRIGHTENED .

Stubborn means a **CONSCIOUS POWER ISSUE WILL & CHOICE**. Frightened
Means ignorance until *gently enlightened*

Once the “WAY of PEACE” is **ACCEPTED** & it starts **FLOWING** through .
THAT **Love WILL OVERCOME** is what **FAITH** beforehand **KNEW**.

I AM Lucky I AM Rich and believe the **BEST** for **ALL** .

This **doesn't** happen if I bury head in the sand, but stand erect & tall
Looking at & seeing ALL THROUGH God's COMPASSIONATE EYE .

Even a sinful habit is not a death sentence into some “HELL forever”
As *fearful* people cry,

Unless maybe you **BELIEVE** that **DEATH – not LIFE “RULES” ?**

I SEE that paradigm as **FEAR** kicking “Life” smack in the “**Jewels**”.

I BELIEVE ANY REASON TO STRESS IS DONE.

God's **GRACE** doesn't end at our death. His “**WORD**” says THE

“Last ENEMY” He's OVERCOME .

I'm not designed to stay in this world, but to GROW and LEARN while
S*|*o*w*|*y *** P*ass*in*g ***** th*rough_.**

I'm Lucky **I AM Rich** & BLESSED to be DRAWN TO this

Point of View .
