

#158 **What Jesus Should Have Said**

Let's imagine, better yet **CREATE** a world together
Where the burdens of mankind's worries are light as a feather;
And **freakin' out** over a title like this like you probably **ARE**
Will be a quick attention – getter. All going as planned, so far.

But it will be curiosity... **not anger** at me for **my view**.

The way **God's GRACE** has **OPPORTUNITY** is when differences
Between **any two**

Or more people are discussed with the **PROPER ATTITUDE** to **LEARN**.
GRATITUDE is the **fuel** that **fires** our hearts to **turn**

Into a pumping station bringing new and **unexpected events**;
Like wondering how my title shows Jesus respect without pretense
That **I'm smarter** than **He was** and **His words need correcting**.

My new **EVENT** is a **New Testament** way of **INTIMATELY CONNECTING**

On a level with **God** concerning this author and your **neighbor**
Explaining in simple terms how the **WORDS OF BELIEF** act as our **LIGHT**
SABOR

CUTTING INTO THE DARKNESS of **unbelief, fears,** AND **unhealthy**
Quick judgements

Which only lead to **DISHARMONY** of **PURPOSE,** thus **CARNAL** and
MENTAL abutments.

So it's finally time in this poem now, ha, **to get to my point**.

Let's see if the **Holy Spirit of Love** decides if it's time to anoint

You and **ALL READERS** WITH how **IF 1 QUOTE** said differently brings

NEW AWARENESS with **LIFE** that **DRAWS** you into the choir that sings

#158 **What Jesus Should Have Said**

With a brand new fervor for those **CONFUSED** and **IN NEED**.

NOW HERE COMES THE **NEW UNDERSTANDING OF GRACE** THROUGH THE **SEED**.

When asked which of **God's** LAWS are the GREATEST to follow, Here comes my **"New Wine"** with the flavor that's the *smoothest* Ever to swallow !

Jesus answered, **"Love God**, da, da, da and your neighbor as yourself"
As the most grand.

Now here's where **GRACE** has its **POWER** – it's in **how you PLAY YOUR HAND**.

HOW YOU "Love yourself" determines with **how much IMPACT** your **JUDGEMENTS** will land.

Were they *MERCIFUL WINDS* of **CHANGE** or **NON**-compassionate Gate-closing **flames of Hell** you fanned ?

IF YOU understand *HOW God*, the **Universe**, the **Spirit of Love CARES FOR YOU**,

You'll be led to give more than enough (**ABUNDANT GRACE**)... **NOT 1 BUT 2**.

2 shirts off your back, walk **2** miles to learn ... *if you get what I mean*.

Only if & when you DO – can **Heaven on Earth** **BE SEEN**.

Jesus said His Kingdom was **NOT** of **THIS WORLD... WHEW!**

Because *up until this point* in time it's been seen by so few.

The **HUMBLE**, the **POOR**, the **HURTIN'** and the **LOST**.

This is the point we **ALL arrive at** so **WE'LL DISCOVER OUR COST**.

#158 **What Jesus Should Have Said**

It's HARD – BUT not impossible – to CARE AS **God** does if only with **SYMPATHY**.

Jesus came as a human – US TOO – to expand it to **EMPATHY**.

“EXPERIENCE IS THE BEST TEACHER” is for **SURE** the **TRUTH**.

Our spirits and souls are **to** also **MATURE** as our bodies do **past youth**.

So... Loving your neighbor **as** you **do yourself** can be misplayed.

Unsettling vibrations from this world's **Stress** get our

Nerve endings frayed.

Like hair that's dull & doesn't shine & glow because of its split-ends,
Divisions between people because of **viewpoints** **100%** depends

On IF YOU CAN **FORGIVE** – OR EVEN think you *need* to – like on a Learning curve.

Here comes my **“HIGHLIGHT”** that had me gather up the nerve;

Nerve being my **“Peter walking on the water”** **moment** of journey
Through **time**.

When I know **most** – **at first** – may think **writing this poem** is a **crime**.

This **“learning curve”** is **humanity's** **QUEST**;

To have **positive FEELINGS** with an **open heart** *flowing* IN **FAITH** **FIRST**
About which path to go is **BEST ...**

Compete with *the issues* of **the world** and **life**, **others**, **yourself**, and a
God of perfection,

Or praise the times you **GET GLIMPSES** of **HEAVEN** after you've
CHANGED your **DIRECTION ?**

#158 **What Jesus Should Have Said**

IF Jesus would have said, “**As God Loves YOU**”

What would it do to your point of view ?

Would it have you **REALLY BELIEVE** you can in some way **achieve**

Your dreams to **SEE God, ENJOY PEACE** and quickly leave

Any & ALL NEGATIVE THOUGHTS that don't somehow **UPLIFT** your **spirit ?**

You'll discover the **MIND** of **PEACE** won't let you stay **near it**.

There is **NOTHING IMPOSSIBLE** when **LOVE** steers the **show**.

MIRACLES & **HEALINGS** of **ALL KINDS** will be a common event for

Those that **REALLY, REALLY KNOW**

That **PRAYERS** given with **GRATITUDE, TIME** and **ROOM**

To **MANIFEST** in ways that **MERCY** and **GRACE WILL BLOOM**

Is the MOST **GLORIOUS** way to **praise** this contention

And to have God TOUCH US in HIS **MOST HONORING** way

Is my INTENTION.
