These poems that continue to flow
Out from my soul that desires to let you know
That *should* fate have us meet in some manner today
Every word that my mouth produces *will sound like something*
Jesus would say.

And just so you'll know, Jesus to ME
Is The King of PEACE that HAS set my soul FREE
To SHARE the GIFT of Life I've been so blessed to receive
Every moment I'm GIVEN the OPPORTUNITY to BELIEVE.

For in BELIEVING that God has my back
I'm THANKFUL even for things right NOW I lack
Because IMAGINED LACK is a TOOL set in this material field,
Like a SEED in its soil – my body & soul – which determines its yield.

IF PLANTED in soil that continues to toil
In ACTIONS that DEMONSTRATE my EMOTIONS are about to boil
Over the edge of containment of ANGER without SIN it makes
The "FRUIT" smell rotten, look sickly and taste like *cow-paddy cakes!*

But IF my EGO can be put in its place
So the issues that lead most into depression won't erase
The "GOOD THOUGHTS" I'm schooled in to FOCUS ON TO LEARN,
This designed plasticity in my brain & mind will continue to *burn*

With a **RIGHTEOUS ANGER** that will propel **me** forward
Upon the **PATH I'm discoverin**g... that for a moment **I** was lowered
In to **God's melting pot (Hell or Purgatory to some viewpoints) to remove**
The DROSS (which **IS** the negatively **DIRECTED THOUGHTS' energy**)
IN ORDER to improve

The **SOIL in** which the "**GOOD SEED**" can now have a **season to flourish.**
DREAMS & VISIONS that **MAGICALLY EVOLVE into COMPASSIONATE**
ACTIONS WILL nourish

The **weak & the sick in mind, body, soul and/or spirit.**

God's PROMISES have been recorded **in** to a **COLLECTIVE**
CONSCIOUSNESS to only those who **HEAR IT,**

FIRST in the sub**CONSCIOUS** context where, **again, PEACE REIGNS.**

Then, after **21** days of **DILIGENT PRACTICE**, **many find** such **miraculous gains**
In areas never before even **IMAGINED POSSIBLE**, a **conscious**
"Born Again" experience takes place!

So **NOW** it's so **very EASY** to **SEE Jesus' connection in EVERY FACE**

I come **into contact** with on a **daily basis.**

This **PEACE of MIND that ALL IS WELL** WITH **MY SOUL is my oasis!**

In this desert wilderness we all basically **continue** to wander

Due to CHOICES that are made **in "good faith"** but seem to make us ponder

IF I had gone a **different direction... explored a different "path"**

Would it change the **symmetry** of **God's Holy Math?**

The **TRINITY. PERFECTION. NO BEGINNING. NO END.**

Like the pyramid shape directs a focus **IN ORDER** to send

The Spirit of Life, the Knowledge with PEACE & the Love for God as ALL BEING ONE.

That's when this "Life on Earth as 1 BIG FAMILY" REALLY begins to Turn fun!

The GRACE to SEE the world thru "Rose colored glasses", so to speak, Gives us ALL Options Observed Opportunities to be PRidEFUL or MEEK.

Two BIG "Oh - Ohs! Plus *for some* sometimes the most fun & BIGGEST "O" we can share!

Options Observed & CHOICES made. Was thinking I might tickle some if I say the 3rd O could stand for ORGASM. Write this down? Do I dare? Will it shoo sex-sensitive people away? Should I even care? They're given the option, the choice & the free will to do so, & that's Only fair.

It's the same options I face every moment *judging values every Second of every day...*

Move Right, Left, Forward or Back or Stay Put. What did the Holy Spirit Just say?

Not only those options, but we can Run or Walk, Jump to FLY or do a Belly Flop. Again, the CHOICES we continually make are in essence but a mere drop

In the bucket that holds the "Water of Life" of which IF Drunken of WILL END ALL THIRST for the CARNAL world & keep thoughts above The laws of mankind that only condemn, bind, harm & hinder... The "religious spirit" that anxiously diVides a soul's "ETERNAL FATE" To Become an ANGEL IN Heaven or a Hell fire's cinder.

So the BIGGEST “O” means **OPEN** or **Opportunities**. Same **thing**.

WILL-POWER & **CHOICES**. **Male** & **Female** spirits **at odds** that **bring**

The Pyramid of Power **into** the mix to direct **the issue**

To the viewpo**int** with **UNDERSTANDING** that will allow **me** to **kiss you**

Either on the **forehead** or **cheek** **in** all **purity** as a **family member** or **friend**,

Or on the lips, & **other places**, depend**ing** on how the encounter has

Momentum to **end**.

Speaking of momentum, this poem's is now **slightly waning**,

For at about this length is where people now usually **start complaining**

That it's “**Getting too long**” **again**, as is most **things** I produce.

Ha. Another **sexual innuendo**, which may be true **or not**, & will certainly reduce

The **QUANTITY** of souls still “**hangin'** with **me**”, so to **speak**, because

My poetry is **definitely not easy** for those without a **QUALITY** **comprehension**

Of the **JOY** I **continue** to **express** **in writing** this **contention**

That I've **always HAD** THE “**RICHES**” I **DESIRE**...

A **teachable spirit**, a **sharing nature**, a **good humor funny bone**, and a

Caring heart that makes **me** a **crier!**

I haven't yet **LEARNED** to “**Take DOMINION**” over all that I've asked for...

Which is the **OPPORTUNITY** to **QUESTION** **God** then **be led** to the **door**

Of which I'm to “**Knock** upon” so it “**WILL BE OPENED** & the

Question ANSWERED”.

IF I respond to a **lower-level vibration** it will seem **perverted** & **cancerED**;

IF I **HEAR** The “**King of PEACE**” speak & **KNOW** as a “**Student of Love**”

It be **true**.

When I look back, no matter the temporary consequences I'll know

My WISDOM grew.

Just as these last few years has had **me** walking through the “Valley of Death”,
I've keep **my** distance from those who use **hard** drugs like Meth.
That crowd that uses **hard drugs & alcohol** to cope.
Karate & ROCK-n-ROLL, but **suckin'** on (**hoo**)(**ters**) - **my favorite dope**.

Did I just lose more readers because of the **innuendoes** I'm still usin' ?
My guitar, **π**ano, **sax** & (**hoo**)(**ters**) all can bring me a Mag **ICal** fus **ION**
Of **my** lonely soul to **God's infinite Love** & *someone's* helping *Hand* .
Will I stop **smoking** when I **FINALLY** get **my dreamed of woman** or *band* ?

Manifesting & performing wonderful songs will be certain to bring
Huge smiles & laughs to those who hear us all **sing** !
The **Glory** of **God** to **SHOWS** those who **choose** to hear -
Quick glimpses of the “**Heaven**” we **can** imagin, plus more often &
Longer for those He can steer

FAR away from **carnality, darkness, evil & sin**
And **into** the **Kingdom** of **PEACE** where the “**good thoughts**” **WILL** *begin*
To actually manifest **in** this world – as **The WORD PROMISES**.
So... On your (**BU**),(**TT**) or your **LIPS** do you desire **Godly KISSES** ?

Like I've said now **in** poems – this #159 to date,
I encourage you to “**Repent**” or “**Turn away**” from spirits that **will never** rate
With **discoverin**g your **1st Love** & it's **BEST** possible path **through** all doubt
USING our **most** precious **GIFT** – the **breath** just **GRACED WITH** – **IS**
What Life's all about !

What's really funny is **I've** known this all along.
Who I belong to and that **inside** I've got **my** song.
I can now **sing** it every day – **I** **ALREADY** **POSESS** **MY** “**RICHE\$**” ...
The **OPPORTUNITY** to **ASSIST** YOU **in** **FULFILLin**g YOUR **PUREST WISHES**.
