

#193 Romancing Your Smile

The 1st time ever I **SAW YOUR SMILE**

I immediately set "REMEMBER THIS VIBE" on my "BE Happy" dial

Onto the encHAnting frequency I hear BEing played by your **Smiling Lips**.

My JOY OF LIVING is experIenCing mUsIC tHAT **Ignites** emotional "tR.I.P.s" †

WHAt tunes I hear tHAT **NOW** emanate through my heart !

A NEW awareness tHAT I desire a **FRIENDSHIP** to start.

For some reason, I AM curious WHY **your face GLOWS LIKE THE SUN !**

This **ROMANCING** your smile energy FEELS like I've ALREADY WON !

PEACE is ALL IN how good IT feels TO: **let go!**

This encounter was but the opening **ACT** of our **ad-lib** comedy "SHOW".

We're 2 **ACTors** who **HAve** certain roles for each other to play.

I AM excited to **WRITE THIS MAGICAL MUSIC** today !

MAGICAL MUSIC I GIVE in forms yet to **BE** **enJOYed**.

Like, ha, I smiled just now thinking my middle name is Floyd.

"Pretty Boy" Floyd, at age 9, I wanted to think of myself.

I almost chose Casper "The **FRIENDLY** ghost" which already was my **GLOW** + health.

I **KNEW** a "Confirmation" name meant I **COULD CHOOSE** my own "PATH".

So natural to me I **BEcame** a "**DAY-Dreamer**" because I **UNDERSTOOD** God's math.

1 + 1 in carnal terms = 2 so then "FREE WILL" & contrast **WILL BE seen**.

In spirit, **MOMENTUM** is **ALREADY** there – both **subtle** and **keen**.

Just the **fACT** tHAT we've **HAD** multiple **pARTs** in each other's **DayDREAM**

Means we met on the "River of Life's" **CREATIVE** **EDdy**-filled stream.

Wherever it **SPINS** us, let's **remember to** at least **CHOOSE to smile at this Light-HEARTed ROMANCE**.

3 AWESOME HUGS I received **from you** each time we've talked... I'm **GIVING** the 4th a **chA**nce !!! †

I know very little about you except tHAT **your SMILE** **attrACTed me**

Like **your** **pART** was the **BEAUTIFUL FLOWER** ... & **MINE** the **Bee**

Buzzing near enough **you** for you to **FEEL MY MOTION**.

I AM now greatly satisfied I finally moved to the Pacific **Ocean**

From **DEEP** inside America's Heartland... an Indiana **boy** at **HEART**.

Opportunity **arOSE** so I moved away at age 50 to get a **NEW** **stART**.

NOW I **KNOW** after my dessert **pHAze**, each day, I **CHOOSE to CREATE JOY** with w**HA**t **TUNE** I play.

#1 CHOICE: OPPORTUNITIES to receive the **Light** of **YOUR SMILING FACE** nearly every day.

This **friendship-orientated romance OFFER** is valid to go **wherever YOU CHOOSE**.

F.Y.I. Even if I will **have** only memories of you... **I STILL WIN**, not lose.

The **FEELINGS** our **SMILES SHARED** compared to **nothing** **Before** !!!

My **Highest HIGH** would **BE** ... if you **OPEN THIS AWESOME DOOR** !!!!!!!
