

197 Spoiled by EMOTIONal JOYFULness

“I AM” ... God's name . “I WILL” ... God's ENERGY .

I HAVE God's GRACE ... the ABILITY TO SEE .

See the “LIGHT of FAITH” along my path

And the “LAMP Upon my Feet” ... is MATH .

Numbers put values to everything .

Some evolve into tears, others HAVE us sing !

Which number is most prevalent to carnal man ?

It's 666 of course ... Now staying positive is my plan .

Carnality is God's gift to bring us Love's light .

ALL NEGATIVITY ENDS the split-second we END OUR FIGHT

With the BENEVOLENT ENERGY THAT always HAS our back

When we REALIZE ... WE are the ONLY reason for lack .

We'll begin to see THAT lack is not always a bad thing .

Lack becomes associated with PAIN THAT'S DESIGNED to bring

Awareness to our DEEPEst desires – which is to sing

The praises of *Patience here* ... The “Father” figure (go) - ha ...

The CREATOR of everything !

The Pattern of Life we know is THAT a type of “mother” is needed TO*O!

Is carnal necessity really the “Mother of Invention” looking for someone to screw ?

Personally speaking ... Yes ! Sexual energy can unite any willing two - to . (or more !) ha

And when this happens, God's MATH COMES into View .

On the physical scale a baby might get conceived .

If the union was merely a carnal attraction – certain urges get relieved .

It works exactly the same way in the spirit also !

Emotion is the Universal Energy THAT CAUSES things in HARD situations to GROW !

So let's focus on this BIG “HARD-ON” we HAVE to multiply .

It's when we “Turn ON” our “HEART _” / ON ” ... we learn to fly !

Father is “CREATOR” ... mother is the Earth from which we are formed ;

MEGAPHORES for energies & patterns TO BE diVided and TRANSFORMED !

REFORMED “for our viewing pleasure” – should we so decide .

We can be the Captain of our own experiences or just go along for the ride !

CHOICES made every second ... every breath we take

Determines wHAt we'll see – 100% not fake .

The Law of AttrACTION is real and it works .

To BE AWARE of this power HAs given us one-of-a-kind quirks .

The path I've taken HAs brought me to this point

Where I AM the only force designed to person*ally anoint

The present manifestation of my own life , my circumstances .

WHA t other “Idols of Desire” do I continue my romances ?

“ HAVe (no FALSE Id)ols” is really the 1st COMMANDMENT given .

I ONLY Idolize the TRUTH – ALL IS GOOD **cause I'm still livin' !**

It's taken me ten stanzas (already! ha) just to lay the foundation

CLARITY & FOCUS alone will bring us to this realization ;

The thoughts I give a motion - through **EMOTION** - develops carnality's negative plate

Into the picture of spoiled JOYFULness when I totally relate

To the possibilities tHAt surely lay before me.

I Am just the next logical step in Love's “ Family Tree ”.

Roots in the ground with desires **to bloom & fly** .

Nature does this through seeds & the WIND when it's time to die .

Take on a Hell-bound flight **with knowledge of survival** .

Life's ENERGY and **Love's EMOTION** look forward to continued revival .

There's energy from within tHAt makes me humbled and cry .

It's because I'm so spoiled and I'll tell you why .

Considering tHAt at my age, I'm still in pretty good sHApe.

I'm like the “Fly on the wall” – but on **Heaven's Window - I Am** the drape

Reflecting with the stunningly brilliant colors from **Love/Light's** spectrum .

The **dreams I CHOOSE** to DEVELOP - TRUTH says ... “ **To EXPECT 'um' !**”

Energy gathers momentum as it vibrates faster .

We CHOOSE to either let fear or LOVE BE our MASTER .

My choice is Love which actually HAS no opposite ...

Just low energy inside a "God BOX" where dreams WON'T FIT !

The only (mostly – ha, ha) box I'm interested in now

Concerning creative juices THAT form new life – somehow

Is the one with "Open Me" written all over it

CLIMAXING in ORGASMIC flows of JOY when WHAT I asked for ... I GET !!!

Now in the 17th stanza – 17 (stands – duh) for victory.

FINALLY ! I'm living the blessings I SEE !

Choices from a "Free-Will" nuanced by JOY !

JOY IS Life's ULTIMATE manifestation – we're basically God's "JOY" !

And I'm O.K. with THAT – ACTually relieved.

THAT's the FOUNDATION I grew up with & BELIEVED .

And still DO – MORE tHAN ever today.

I HAVE so much gratitude – may its momentum sway

You into absorbing the VibRation of these uplifting words through my poetry !

Heck, we ALL HAVE this ability to develop WHAT ... CAN BE

NOW, in the future, or put BACK in the past

The animal instincts of procreation ! YES ! at last !

But on the spiritual level where dreams come to pass

MY PLACE as the driver is to steer & give it gas !

God tells me every day – "Get ready to be amazed & don't think life so crass .

You're in capable HANDS – SO NO MORE ACTing like an ASS" !
