

198 She 's Into LAUGHING

SHE's INTO LAUGHING, ThaT's **REALLY** " Good News " .

Now , IF I could only get her to choose
To allow herself to be drawn to whose
Blue suede shoes never sings the blues .

And those shoes , tHAnk God , are on my feet .
How about walking over here so we can meet ?

They've got a rhythm of which you'll love the beat !

Did you just feel a spark of fire just now ? Care to "Turn UP the HEAT" ?

Close friendships melt the heart & warm the soul .

Just like on a cold night , chicken soup in a bowl .

THAt helping HAnD tHAt helps us out of a hole .

A relationship with unconditional O...PENness as its achieved GOAL !

Oh-oh ! I Haven't even said anything FUNny YET !

But here I go . GET READY . GET SET .

This next line might do the trick , I BET .

I'm wondering if you're starting to get " WET

BE hind the ears " , AS THE SAYING GOES ?

Did tHAt perk you UP & make you wiggle your Toes ?

A BETTER JOKE I should Have choose ?

EspeCially if you think my humor blows ? !!!

Obviously . Ha ! oh , Well . It was funny (for me) in many ways at least .

Maybe next time . Peace & Joy Health & Prosperity
