

Love **HAs** a purpose *without* demands or fear .

My **TRUE Love's** radiance **gROWS WARMER** as I get **NEAR** .

This calming voice I now constantly hear ,

So **NO MORE** at my life do I jeer .

It's such a **JOY** arranging **whAT** I'm **LED** to write .

God & me are **REALy** , **REALLY** , **REALLY** tight !

I'm **FINALLY FEELING Love's pENEtraVing m IGHt**

Because I no *longer* **GIVE ENERGY** to fight

With this **Spirit** of **Love** , **pASSion** & **Peace** .

The need to **control** I constantly **release** !

Balanced with **HOW** my power **HAs** increased ...

My negative **thinking** **HAs** completely ceased .

God wants to **FOC'us** through **oUr FOCUS** .

He's constantly doing things to **poke us** ,

Especially when these things seem to **choke us** .

The **Universe's BIGgest "Inside" joke** is ... **Probably us** !

God is a comedian - **thAT's** how I see it .

It's taken me 62 years for my **MIND** to finally get fit .

Life threw me a **curve ball** which **at first I saw** as **BULLSHIT** !

NOW , **thAT** I'm **focused** it's turned **into** my **BIGGEST HIT** !

THAT curve ball gave me time to **think** .

It brought me to life's **ULTIMATE brink** .

Give my power to things **I KNOW STINK?**

I'm HAving SEX with God - RIGHT NOW - don't blink !

It's **ECSTASY FEELING** **comfort** in this abode .

A physical body **FEELING PLEASURE** from every node .

I AM releasing my burdens, my **distrACTions**, my ... **"LOAD"** .

My mate see me as a **"Prince"** not a toad.

To **one who KNOWS LOVE** - **I AM** - a **Prince** .

None born **like me** before... **none since** .

I AM NOW SHOWING PROOF of how **Spirit** & **MIND** mince

I'm "in the spirit" (like 8 months [stanzas] **God's** very **own "HAND PRINTS"**)

Page 1 of 2

The **vibration** of **HANDY-work** from a **WISE MASTER**

Through **poundings** & **presURES** He **started** to **form faster!**

The **box** of limitations I **HAD** , **HAVE** been put on a **caster** .

Was married to a beautiful woman , **twice!** **HAD** to get **past her** .

Still friends & supportive but loved from afar .

In the constellations of light we are ALL - A STAR!

Put together **in** ways **thAT** just ... **WONDERfully** ***/ **ARE** .

OURS - for us to discover **Love's Quantum tar** .

The **Invisible** comedian , *so funny* this last line hit me ... **Happy tears I CRIED** .

Gives us MOR-GAR (had) ... **REALLY sticky** , **HOT** & **MESSY** when applied ,

But it makes the road **SPLENDIFEROUSLY** smooth , when dried .

Now , this poem is **TODAY's** *spirit*u-al* **LOVEMAKING JOY** ...

CLIMATIC ORGASMIC PROOF - **JUST BECAUSE** *THE hole*
(**in my Heart**) **Relaxed** (**to Receive**) & **OPENed** **W I * D e I**
