

#200 PERFECT Timing

Where to start? **THAT'S** square "A".

We choose - each moment - how to play .

In **Who's** bed do we want to lay ?

The one **tHAt** "COMES to save the day" !

Even this saying is **mIS**directed .

There's nothing "To **SAVE**" when everything **IS PERFECTED** !

When the **need** for wrong & right **IS** reje**C**ted ,

You won't **feeL** any **vicT**imization projected .

It (WILL STILL) but still be **T**here - just weak as hell .

Over the **clif**f of "I don't give-a-damn" it just fell !

ACTually & **PERFECTI**V , and **tHAt**'s just as well ;

You subconsCious (is bound) to eventually "HEAR the **BELL**

For **WHOM** It **Tolls** " .

No more **hidden** secret - energy-zapping - moles .

Unlimited energy for one who **does**

Out **FOCUS**ed , **RELAX**ed **ENERGY** towards his or her **goals** .

Finally, **finely balanced** specif i **C**ally to **HOW** you're "TUNED" .

For the **Longest** (**tI***me) your song sounded ruined

Just to the point when you've finally been swooned ;

And **NOW** , your "Life Song" is **BE U AT IFULLY** & **HA**rmoni**C**ally groomed .

Your **VOICE** is like a **SOOTHING** **Harmoni**Ca reaching into the night air.

A **peaceful comfort** just **KNOWing** you're there !

The "Time **Has COME**" ... **HOW** you're **SHOWing** you care

By Giving ALL of yourself in the WILLingness - TO DARE

TO GO WHERE (you) as "NO man **HA**s Gone Before" !

When **eyes** are open - there's **ALWAYS** a **DOOR**

THAT **LIGHTS UP** a **PATH** to **SHARE** with **JOY** forever more

UNLIMITED SERENDIPITIOUSLY SYNCHRONISTIC **EXper**iences galore !
