

201 “BECAUSE”

“Because” ... It’s the reason of Life .

Learning the difference between PLEASURE & STRIFE .

DO WE CONTROL the PATH we’re on ?

YES ! It’s the reason we’ve SEEN TODAY’S DAWN .

KNOWLEDGE IS untethered ENERGY. It symbolizes power .

CHOICE is the DIRECTION we move this hour .

Fear is a weakness THAT causes us to cower

And our Happy attitudes to sour .

KNOWLEDGE (with WISDOM) causes FUN things to grow .

It’s THEN the love within us WILL Begin to SHOW .

The “FLOWER of Life” BLOOMING as the “Winds of CHANGE” BLOW .

UNDERSTANDING the life we live – IS the one we SOW !!!

We ARE the “FLOWERS” in LOVE’S “Garden of Eden” .

The “SOIL” is the VIBRATION of ATTITUDE you’re FEEDin’ !

Are there certain THINGS you THINK you’re NEEDin’ ?

“Because” ... gives the reason for a constant WEEDin’ .

Weeds are persistent and do their own thing .

PASSION is too – and is WHAT WILL bring

Pleasures galore – THAT WILL make you sing .

When you finally “WAKE UP” to “HEAR” oppor-tunit-ies’ DOORBELL RING !

All we Have (are led) to DO (to receive) THIS gIFT is to put our finger on it !

WHAT we CHOOSE to create is up to our whit .

Is it QUICK & AWARE of life’s MAGICAL tRICK ?

Once it “Becomes” SO & NOW , we CHOOSE life’s measuring stick !

“BE-cause” ... “Be-come” ... are you getting the drift ?

Laws are given for us to sHIFT

Our conscious AWAREness of tHIS preciouS gIFt.

Did the “Good Life” throw you a {CU!}rve ball on WHIC h you wHiffed ?
