

## # 204 It's GRAND Being Older

It's GRAND BEing EDUmaCAtED & old ... **er**.

**mY** TreasURE CHEST is FULL of GOLD! Pure.

I've learned to BE (**my**)self – caring & BOLD & **SURE**

As I watch **mY** LIFE with others unfold thru **nature** .

NO REASON to worry, fret & stress ...

Just watch LOVE slowly & **SensuosiY** UNdress

The GRANDest path through our life , usually a HUMOROUS Mess

UNTIL the moment we **AGRee** to **HONESTLY** confess ...

I've Found **mY** UNI\*que purpose & place

Being but ONE In divID U al of this hUman race

Settled & BALANCED into **mY** COMFORTable pace

WALKing the path tHAt's RefleCting **mY** face!

I've got **mY** 2<sup>nd</sup> Wind ... the “**Runner's High**” !

I just OPEN **mY** parachute – **mY** **mIND** – to **whY** ?

**WhY** DO I HAVE this falling FEELing tHAt refuses to die ?

It's ACTuallY just the WINDs of cHAnGe : the ENERG **Y** TO **FLY** !

**Finally** “Got the drift” to just “Go WITH the FLOW” !

When **mY** GUT says “**YES**” – I never says “NO” !

A “NO” simply means a “Cross” – “Wind” WILL blow

And UnnecessarY pain & suffering is wHAt WILL SHOW .

I understand ALL THINGS are possible to HAppen **this** second .

wHAt I SEE NOW is wHAt I've alreadY beconed .

With the reason for **w h Y**... I've alreadY reconed .

So NOW I go with **mY** 1<sup>st</sup> feeling & never **mY** 2<sup>nd</sup> .

At this *NeaR* Grand older but HEARTY AGE

I ENJOY Being on **mY** LIFE's Center STAGE .

I AM the **ACT**or final/**y** living as a Self-taught SAGE .

**I'M** ENJOYing every MOment including (ending) **this** **poetic** PAGE ?

Ugh ! TOO taught ? HA !
