

#209 DREAMS

DREAMS are the **DESIGN**'s **MAGNET** that *draws* us ... **WHERE?**

TO THE POINT **WHERE** CONTRAST **CAUSES ONE** TO **COMPARE**

What you **have** now & **what** YOU WANT,

A "**Good Life**" **is** *when* **you're** *enjoying* the **HUNT!**

There's a **special twist** when **one dream** *comes* to its' end.

The **twist** is **change** in "**A HA**"bit *we still want* to defend.

Then *with Stronger winds* of **CHANGE** the Dream will **send**

ENERGY that will break it & **SHOW** one **how** to **SEE Around** the **end!**

Quantum physics today **shows light Energy** can't go **around** & through
An object TOO THICK *like* a **Hardened MIND TOO BLUE**.

But put a **smooth ORB** **directly in front** & in **Perfect relationship** to **size**

We can **NOW SEE THINGS** that before **HA**nd *we Couldn't otherwise!*

The **ORB** is *like* **FAITH**: *like* **MAGIC, MAYBE ACTUALLY IS?**

I look AT "WAKING UP" EVERY MORNING *Like* today's **POP QUIZ**

And **I'm CONFIDENT I'll LEARN "The Answer"** ... & **PRONounce** IT

Right on Que •

And "**IT will BE Working**" *when* I *talk* in **PEACE** &

Harmony about **Contrasts** *with* someone **Special** *like* **YOU!**
