

211 **My MAGIC Wand**

My MAGIC Wand – let's make this CRYSTAL CLEAR ...

Proves the **KINGDOM** of **HEAVEN** is *not* - far off ... **but HERE !**

It **RADIATES PEACE** & **GLOWS of LOVE** THAT organizes the **CHAOTIC VIBES** at our edges – called FEAR

Into Harmonious WAVES ENTRAINED to the **DREAMS** of the **DRIVER** ...
Namely **WE're !**

For me & YOU, my pen reveals this **wonderful WAVE** .

Just **READ & FOLLOW YOUR HEART & GUT** on how to **behave** .

So many poems now **Have** been arranged *through funny butt serious lines* to **SHOW**
THAT MY SPIRITUAL JOURNEY Has NO NEUTRAL – **only FULL GO !**

MAY MY MAGIC then **LIFT** this “**Light-Hearted**” **ENERGY**
OFF these words

And **flow gently into your OPEN MIND's sails** so *you're spirit may FLY* like the birds .
This **MAGIC** SHOWs the **synchronicity** of those of a feather **sticking** together .
So I'm just a front-flyer thru **this moment** guiding **you** through possible turbulent weather .

This MAGIC is the **POWER** THAT **GLOWS** the **SILVER LINING**
Around those **DARK** clouds!

OUR SILVER LINING is the **ORB of PEACE** & over our **hearts** it shrouds .

Some MAGIC is **IN my sHAring** this **RECORDing** of **THIS MOMENT** of **my HAppy soul**

The **2nd** poem **Created** **this morning !** **This one while smokin' a bowl !**

ACTually I *was also MEDITATING* enjoying **CREATION's FREE** reign .

Then thoughts organized into the 1st verse & I just **couldn't contain**

The DESIRE to get them on paper **before my brain ran off** **THAT track !**

So now – I'll **Have this MAGIC TIME** with **YOU** end - to **my MEDITATION** I **DESIRE** to **GET BACK !**
