

## #26 THE GRACE IN JENNY

A friend was telling me about the news  
Of a certain young girl walking in Christ's shoes  
Who found some money and acted in a way  
That is not often found in the world today.

She thought to herself, "If this was mine  
And I had lost it, I'd probably wine".  
Thinking, "Who in this world would be honest enough  
To return it to me, 'cause that would be tough".

With the way a selfish person thinks only of himself  
They'd say, "Look at this; I've just gained instant wealth!  
I'll just stick to the rule: Finders keepers...loser's weepers!  
**Ha! Too bad for *that* sucker; I'm buyin' new sneakers!"**

But I'm happy to say, and it brings me great joy  
That she was different from the average girl or boy.  
It showed me that there is someone who's wiser than most  
That's teaching this girl how to move forward, not coast.

Who's taught her that others come before her  
And that being unselfish is a way to secure  
A life that will bring many blessings her way;  
Like the one I'm trying to bring her today.

I'm proud of you young lady, whoever you are  
And also of those who've brought you this far  
In the knowledge of doing what Christ says is right.  
You're not lost in the darkness; someone's shown you the light!

This blessing is not one you can take to the bank,  
But in God's last day's army, you've just stepped up a rank  
And are well on your way to becoming a leader.  
You've eaten up God's word...soon you'll be the feeder!

***And by your example may you lead the way  
In your area of influence. Do you hear what I say?  
Just keep striving for excellence in all that you do  
And God's grace will surround you and those you touch too!***
