

#32 MOTHER'S / FATHER'S DAY

Why is there a Mother's / Father's Day?
Is it so we all can say
How grateful we are you gave us birth?
I'll tell you now what that was worth.

All that did was bring us in
To a world that's full of hate and sin,
And set us on a path that's doomed
Unless Christ's Spirit was installed and groomed!

Now, you know I love you and that's a fact,
But this message I'll try to explain with tact
That being a good mother or father is not in itself
The most important thing you can do for my health.

You could lead me to exercise and keep an eye on my weight
But those things have nothing to do with my eternal fate
Which is determined not by my looks, my brain, my smile or my style,
But if I understood my need for a saviour, or if I died in denial!

You see, most people think their lives start at conception
But truly it begins when they get spiritual perception
And realize that they've been **"BORN AGAIN"**
A BRAND NEW CREATION, at the Devil's chagrin!

For Jesus is the only one who's got the power of creation
And His Holy Spirit leads us into all truth with elation
Because He knows we wanted to become a child in love
With the Father we now yearn to relate to above.

We must be "BORN AGAIN", that's what Jesus has said,
The knowledge of God has to enter our hearts from our head;
Because He's Dealt each man a measure of faith first hand
But it's up to us to earnestly contend for that faith and make your stand

So a parent's real purpose given by God **they should know**
Is to train up a child in the way he should go,
So when he is old he will not depart from it.
My prayer for all parents that read this is; its message will hit!

Because they'll both personally hear what God will have to say
When they're brought before Jesus on their personal Judgment Day
And He asks them why they didn't follow His Law?
What is the "Lake of Fire" as the punishment they could draw???
