

#343: Be*H]*nd the Scene

Be*H]*nd the Scene

There's a lot going on .

On our "TELL-a-VISION" Screen

Most try to get along .

To some it may seem like total chaos & confusion ;

To others just paR for the coUrse .

The tHIngs tHAt mUSt go on to create the ILLusion

To some SEEN as gU(J.D.acne?) (ha) , others as a manipulating force .

Like a BALL of FUZZY yarn

ALL wound up upON itself & BOUND .

In tense, intimate constant contact "HA"ve some complain "God DARN" !

Others ALLOW the UNwinding as the PATH we've FOUND

ThaT matches the Crea†.V.e process of GOing with the FLOW ;

ALLOWing the "WE"aving of society & relationsHips together HARDly IMAGINE-able .

Like , for tHIs poet , when to get quiet , I usually BLOW .

Ha - like I'm the WIND OF ChaNGE & NOW - on my dirigible .

My SOUL, spirit & body as tHIs BALL of YARN thRU MET-a-FOR ...
