

#346: I HAVe an I.D.ea

I HAVe an I.D.ea ...`

Let's CREATE sOMe FUN FUNds !

Would *WE* rather drive a Porsche or a KIA ?

LIFE's deCisions aRe the "MEET" BetWEen the buns .

Hearing , "I'll MEET you later ,
Somewhere down the road" .

Sooner tHAN later , I tHink might be gReat er

Although , I HAVe no need to pr(o.d.) or goad .

My DREAM , my JOY ,

My LOVE of LIVING ;

I Am - Creation's perSonal "T *OY*"

RESPONSIBLE for ALL mY reCeiving & g*I.V.*ing .

SiGnALS reCieved & slgNs sent ;

Crossroads as Serendipitous MEETings .

Days turned into years & away they went

As 2 souls fOCused on their own "DREAM SEE*dings*" .

AmBIGuous , amBIguoUS , amBIGuous meanings ...

These *PLAN*Ted words - so far . (HA)

An unlimited array of gleanings .

The past , the future or w*HERE* WE ARE ?

Confusing words - to ones who care not ;

Just a wILD SHOt into the DARK .

Like a radar beam exploring THINGS to spot ...

There > "IT" < APPEARS : as Heaven's P*ARK* !

The "NOW" EXCITEMENT of JUMPING to conCLUSions . (HA)

LIFE's PER*speCtives* & s"Om"e puzzleS we assemble together .

Today's "DREAM" , a different MEAT to chew or silly ILLUSions ?

The *ME*AT* of MATURITY instead of the m*ILK* of infants , MEtaphors for Weather!

Whether or not it's stormy or CLEAR ;

Take a cHance or let IT pass ?

Will THis enerG-Y ever again BE SO NEAR ?

Yes , no , mayBE , it's all the same when (HAnd)led with CLASS . (HA)
