

#359: Mary-Jane: My Best Friend

Mary-Jane : my best friend .

To enHAnCe reality , I just pretend .
When we light up together we fly skY HIgh !
The reason we sM.O.ke & bURN , I care not why .

I only KNOW tHAt - ALL IS WELL .

I HAVe no g"IF"t's to loan out or SELL .
Only to GIVE MY CREATIONS my very BEST

And ADapt as smoothly as I can to the REST .

A daily relationship tHAt stARTs right off the bat
I open my eyes & realize where I'm at -

Ri-SING ON K·LOUD 9 - my dog & Mary-Jane by my side .

Another flight on our MA·*G·I·C* C*aR·PIT* - TODAY , we're gonna ride !

I get UP & relieve myself from the nights' accumulation .
If it smells or gives me hell , it's an unhealthy aberration .
My nightttime dreams are all in total conjunction
With my body , heart , mind & souls' HIGHest fun FUN*C*tion .

I break my fast , **usually quite slowly !**

I'm an OLD ROCK-N-{{{*ROLLER*~*HOLy*}}} (ha) moley .

I st*ART* hearing *MUSIC* - *the sound of my LAUGH*

After 1st looking in the mirror & seeing a GOD's REFLECTion , AM I totally CRAZY or maybe 1/2 ?

Yes & yes , most likely , BUT depending
If I'm tailgating with Mary Jane & end up rear ending
The dream tHAt tHIs day is giving & sending
Or FINDING the MEANS-to-the-end of pretending .

Ha, hell , I can say I'm "HIGH on LIFE" .

Say ... "3rd time's the cHArm" & HAVe **Mary-Jane** ACT as my w"IF"e ?

Top benIFit , maybe , ... she's AVAILABLE - EVERY DAY of the month & year ? (ha)
A burning relationsHIp refuSING to veer

Away from me also inHALing another HIT of FRESH AIR .
My heART is WIDE OPEN & on my butt I BARE
The bruises I received getting it kICked .

The intimacy I HAVe with her , someday I'LL say , "I've LICKED" ?
