

#4 Ronda's Response Poem

(Mature Readers ONLY)

Richie dear, you are so sweet
You're little poem accomplished its feat
Even though it was a little corny
It made me very, very horny!

I can't wait to get home from work
So I can give you your husbandly perk!!!

Not really. She did write me a short poem, but I thought
This up real quick at work to **just to make everyone laugh.**

They all did!

Love is silly sometimes.
