

## #43 YOUR MISSION FIELD

I'll try to write down some words of encouragement  
Which I've prayed to God they would be heaven sent.  
They begin: once you've realized your future is sealed  
He's **GOING TO send you** out to a mission field.

Those **STRONG** in God's word will know - that's a fact,  
Though you may get second thoughts when your bags are all packed.  
Your flesh man or the Devil may try to stop you from leavin'  
But you will find strength when it's God's will you believe in.

You might have to leave behind your family and friends.  
The distance and duration most certainly depends  
On what God has need for to be accomplished and how  
By those who are willing and content to go right now.

The beauty of being one of Jesus Christ's chosen  
Is that the whole load **can't be** carried by just the one who's posin'  
As an apostle, a prophet, an evangelist, pastor, or teacher,  
But He'll show you your field, so God's lost church, you can help reach  
Her.

His flock is wandering around all over this land  
And He's going to gather them in with the help of your hand.  
Whether it be by T.V., or radio, or pulpit, or work place  
The lost sheep will recognize Christ's peace in your face!

God never puts on you more than you can handle.  
**Just speak of God's truth, and you'll be His candle**  
That will bring light to a world that's lost in the dark.  
Don't ever be scared to stand up and bark!

Submit to His love and He'll show you the way.  
The Holy Spirit will guide you on which words you should say  
That will lead out the captives past the gates of Hell  
To drink from the **Living Water** that's found only in **Christ's** well!

## #43 YOUR MISSION FIELD

So whether you're called to stay put or go travel,  
Stay happy knowing you've got the power of God's gavel.  
Don't be scared to judge evil when it rears up its evil head.  
*You're mission is to do that* so that the lost sheep will be fed!

Even if it lands you in jail like Silas and Paul,  
Jesus will be smiling when you give it you all  
And are willing to take it hard on the chin  
To speak the "Good News" to those who are lost in their sin.

Prison time may not sound like much fun  
But you know, there's sheep in there too that need to be won.  
And they're probably the ones with the deepest despairs.  
God may need you to go *there to show them He cares*.

Jesus will never leave you or forsake you... you've heard  
Because to be called to a mission field, you'll for sure know His Word.  
He'll give you *only* whatever you'll *need* to get by  
And when you're in Heaven, you'll know exactly why.
