

# Life

Life is so precious, but so few see  
What it was given for to you and me.  
What is its purpose, have you ever thought?  
It's so sad that so many people think that it's all for naught.

When they look around and see pain and sorrow...  
So many lose hope for a happy tomorrow.  
They just lose sight and get deceived.  
A better tomorrow just couldn't be believed.

Then, unfortunately, they make the mistake  
Of playing **God** when their own life they take.  
It's so sad they knew not where to turn  
And had no one to guide them and to help them learn.

That life isn't easy; that part they knew.  
But **how to get through it** and why we get blue?  
Depression and sadness and rejection are **common to all**  
But they're all **useful** and **necessary** to **teach us** how to stand tall.

No one or nothing gets strong on its own.  
It takes stress and resistance to cause us to groan.  
**That's when** the buildup of muscle and resolve **grow the fastest**,  
Then the **repetitions** and **experience** will **bring out our best**.

You see, it's all in **God's** plan, and He saw from the start  
What this world would do to our minds and our heart.  
It's not like He's left us alone and hung out to dry.  
His **Holy Spirit** is available to find for all those who try.

The **Holy Spirit**, **The Comforter** will lead us to all truth  
Whether we're old and decrepit or still in our youth.  
We must be **"Born Again"** of the Spirit, **Jesus said**.  
And all that aren't are sadly just the walking dead!

# Life

These are the words of our **Saviour**, not from my head.  
He's the "**Bread of Life**" from which all can be fed;  
And must be if we're to understand why this life is so hard.  
He'll give us the tools, ability & knowledge so our hearts we can guard.

Remember...He said that His children perish for lack of knowledge.  
And He's not talking about the secular wisdom that's taught in college.  
It's the knowledge that He has the answers to any question we ask.  
And believe me it's no problem for Him. He's up to the task.

**Why** is there famine and death and hate and war?  
**Why** are so many men and women so rotten to the core?  
**Why** does He allow all these bad things to continue?  
**Why** won't ALL people be saved, but only a few?

**Why, why, why, when, where, what and who?**  
**What in the world are we suppose to do?**  
**Who** has the answers and when will we know?  
**Where** will I go when I die? *Will I really reap what I sow?*

All the answers are written in **His** word, there's no doubt.  
And it's not too late for you if you don't know what I'm talking about.  
**God has His "Chosen Ones" in place, eager to harvest the field,**  
But the only ones that will be brought in are the ones that will yield

To God's call to come unto Him and accept His Way,  
The Truth and The Life - that's JESUS - do you hear what I say?  
You must admit you're a sinner and that you are lost  
And BELIEVE YOU'RE FORGIVEN BECAUSE JESUS PAID THE COST!!!
