

## #51 **Are You A Good Witness?**

**Lord, am I a good witness of you?**

**Are you** happy with the things I do?

**Do I** show others the love you've given me?

**Am I** letting you make me all I can be?

**Am I** patient and forgiving when others wrong me?

**Is my** response cheerful or do I have an unrighteous plea?

**Do I** complain as if I have some right?

**Do I** emit the light of day or the gloom of night?

**Does my** tone of voice attract the lost and confused?

**Do I** let it dampen my spirit when I get abused?

**Will my** actions bring glory to you and make others take note?

**Do I** follow the advice and commandments of which Peter & James & Paul wrote?

**Do I** apologize when I let my flesh win a battle?

**Do I** admit when I've goofed and deserve a good paddle?

**Can I** humble myself and take what I deserve?

**Am I** mature enough to gather up the nerve?

**Am I** lighting up the path that you have laid out?

**Do I** show my workmates what being a Christian is all about?

**Will they** be envious and wish they could have the same peace?

**Will they** come up to me and ask how to get their pains to cease?

**Will they** trust the advice I give if I tell them it's from you?

**Will I** be bold enough to speak out whether they're a gentile or a Jew?

**Am I** learned enough in your word to trust that you'll guide my tongue?

**Will your** love flow out graciously to encourage the old and the young?

**God help me to participate in the Great Commission.**

**I feel like I'm a fisherman who can't wait to go fishin'**

**And be a fisher of men like you told your disciple Peter.**

**Because to me...in helping save a lost soul...there's nothing neater!**
