

## #6 HOLY SPIRIT

Holy Spirit, fill me more.  
Please open up the door.  
Come inside, fill me up.  
Do it quickly! Hup, Hup, Hup!

Come inside, jam in harder  
Even if I'm soon a martyr.  
You're my guide whose taste I savor  
From whose holy ways I'll never waiver.

You entered me and you know when;  
The day I became "Born Again!"  
Your presence truly makes me happy  
Though some wish I'd shut my yappy!

But I can't stop from being verbal,  
My last 25 years were total herbal.  
You rescued me from his deception.  
Now I have life... a new conception!

I'm in your family and it's the best.  
My message is for all the rest  
That knew me before I came to you  
And all the things I used to do.

This is my personal testimony  
For they all know that it's not phony.  
I truly am a different man  
Who's trying to do the best I can.

To do my part; now that's my mission.  
I'm to be one who's gone a fishin'  
To throw out seeds to my fellow man.  
If they don't take, I'll try again!

It's not my job to make them grow.  
I'm just happy being able to throw!  
The power is yours to do the rest.  
I'll just try to do my best!!!
