

## #62 GOD IS Wise...Me..? Not So

I thank God for being so persistent  
Giving me **His words** to which I'm **so resistant**.  
As always when sin raises up its ugly head...  
**God's just showing me a part of me that's not yet dead.**

Once again, I can see the effects of sin;  
Self-pity, deflection and desperation from focusing within;  
While my mouth speaks out as if somehow justified  
That I'm above the place where I shouldn't be tried.

My place is to do what God's called me to do.  
**And that my dear is first and foremost to worship Him**  
**By loving you!**  
He keeps telling me what a marriage love is to be.  
**I'm so sorry I'm not always the light you're supposed to see!**

I'm asking you for forgiveness as I act out **my carnal nature**.  
But the one thing I'm thankfully confident in for sure  
Is that you know I'm trying to do what's right  
And I'm not happy when we're in an unresolved fight.

Gods' Spirit impels me to surrender all to Him;  
Quell the fires that tempt me to act upon a whim.  
Love is to be directed outwardly to show Gods' will.  
**My life's not about me...I don't always remember that still!**

**Thank God for a new beginning...every morning and day.**  
I wake up each morning asking God to direct what I say.  
I thank God for giving me the desire to know His leads;  
To read and listen and **watch His glory strip away my fleshly**  
**Natures' deeds!**
