

#76 I Want to DIE

A scary title of truth but it shouldn't be
To those **to whom it's been given** to see.
Like Paul desired to be with the Lord
But chose to serve Him and die by the sword.

2 Cor. 4:11-15

By this I don't mean I'm to use mine to offend
It's just that the sword is used by the Lord to contend
With the first Adam's sin nature that I let allow
To influence and pervert my judgment of choice and go afoul.

There is no doubt God gave us this life/time as the place & chance to
Choose

Josh. 24:15

Adam and Eve heard God's promises **but understood not** what they
Would lose

Since sin had not entered creation until in their minds

They choose to seek knowledge of good and evil and ultimately how
LOVE BINDS.

The Devil that tempted her was the spirit sent by the Lord

Rev. 5:6

To test the willpower and longsuffering of the mother to cut the cord.

2 Peter 3:9

Faith is the picture of our umbilical cord supplying oxygen rich blood to
The fetus.

Rom. 3:30

It is God's neuma and blood that provide all that's needed so He can
Greet us

At the moment of our birth and cut us free.

The other picture scripture gives is what happened to my pee pee

Gen. 17:12

When my parents dedicated in trust to God - my provided skin
That He too will cut the spiritual excess called sin

#76 I Want to DIE

Which happens when we fail to conquer the pain and fear
And give it power and authority in areas not yet surrendered...but near
Luke 10:18-19

As He enlightens our eye to see how dark our own heart can be -
Ps. 139:23-24

Thus gives us **Mercy** and **Grace** enough to be the transponder of a **soul**
That's **FREE**

To discover AGAIN and AGAIN how God touches us at each "split atom"
Second.

Constantly speaking to **His sheep which hear** and **are beckoned**
Under the call to stop condemning everyone under the law Prov. 12:8
Because the last time I looked in the mirror there was plenty wrong I
Saw. 2 Cor. 5:10

Our maturity *starts* with blood when the cord is cut
And life and love give us the constant reminder on our gut, Rom. 8:35-39
And in our "gut" - the feeling of what really is true 2 Cor. 5:7
Combined with a *good hearted* mindset of what Love's to do.

Children make **IGNORANT** mistakes *until* they *learn*,
Especially that if you get too close to a fire - **you'll burn**.
That's the picture of God chastening His kids with WISDOM through
PAIN! Prov. 24:3-4
So the next time that test and path comes up we'll choose the right lane
Matt. 7:14

That WILL cause me to **DIE TO SELF** and LIVE UNTO HIS WIL Rom. 6:11
Which are pictures of the wineskin I desire to fill
To create a new vessel of which the potter WILL be proud 1 Cor. 15: 42-44
And will *thru gifts* - provided by God - *stand above the crowd*.
Rom. 11:29-32

And proclaim with my mouth **how I see Love at work.** **2 Cor. 5:14**

To confess MY faults and ask for forgiveness is the strange quirk

That **separates** the **spirit** and soul, the joint and the marrow. **Heb. 4:12**

EVERY SOUL IS PRECIOUS TO OUR FATHER. Way more so than each

1Peter 2:4

Which He says He thinks good of & provides for it until it falls. **Matt. 10:31**

And this too is the most prevalent way we hear His calls.

A righteous man **will fall seven times but rise up again renewed**

Every morning with Mercy given him because he's **constantly pursued**

2 Cor. 4:16

By LOVE to a new life where the old has passed away -

2 Cor. 5:17

After we've believed in His power through **His blood to pay**

For the sins of the world - especially mine most relevant to me **1 John 2:2**

That this power you've given your flesh...**I've given you grace**

And **Faith** to walk the path you really hope for".

Freedom to really live the good life **by opening the door**

Rev. 3:20

That He knocks on - without end - to bring about His Glory...

Rom.11:32

SALVATION OF ALL SOULS - He DIED for **UNBELIEVERS** - that's

HIS STORY.
